AT HOOVER

Since 1911, when Burbank was incorporated, the city has grown from a farming community of 500 to a diversified industrial-residential center of nearly 100,000. Burbank's population increase came during World War II when there was quite a demand on the aircraft industry. Lockheed Aircraft Corporation made it's home here. They are Burbank's largest employer. Their 25,000 employees work in large plants occupying over 2,000 acres of land. Lockheed is well known for a variety of commerical and military aircraft.

We here at Burrough appreciate all the useful equipment Lockheed has donated to us throughout the years. The many job opportunities and many programs for students interested in the many vocations Lockheed have to offer. Burbank is fortunate to have Lockheed as a neighbor.

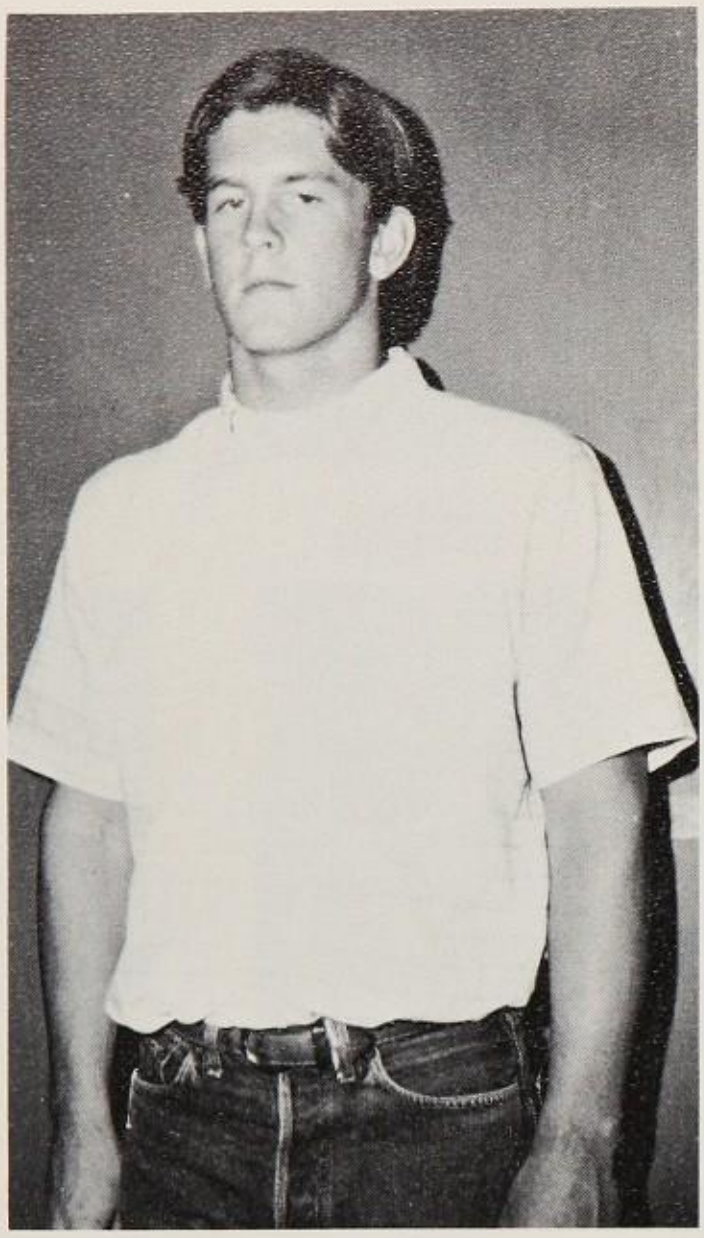
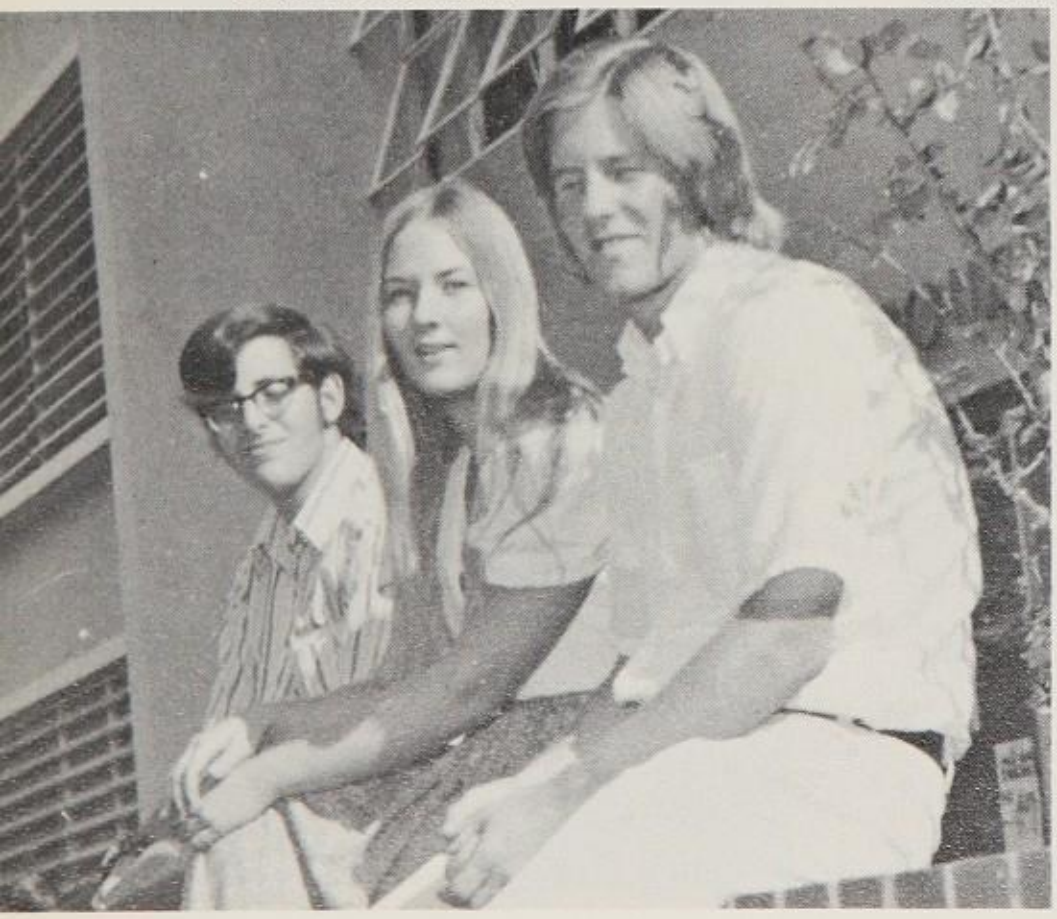
Merits,



Spending an enjoyable summer viewing Europe and living in Belgium was CRAIG WOOD one Burroughs student of 1971.

You can tell that our student JAN SALERNO is still enjoying the memories of her summer trip to Brazil and other South American countries.



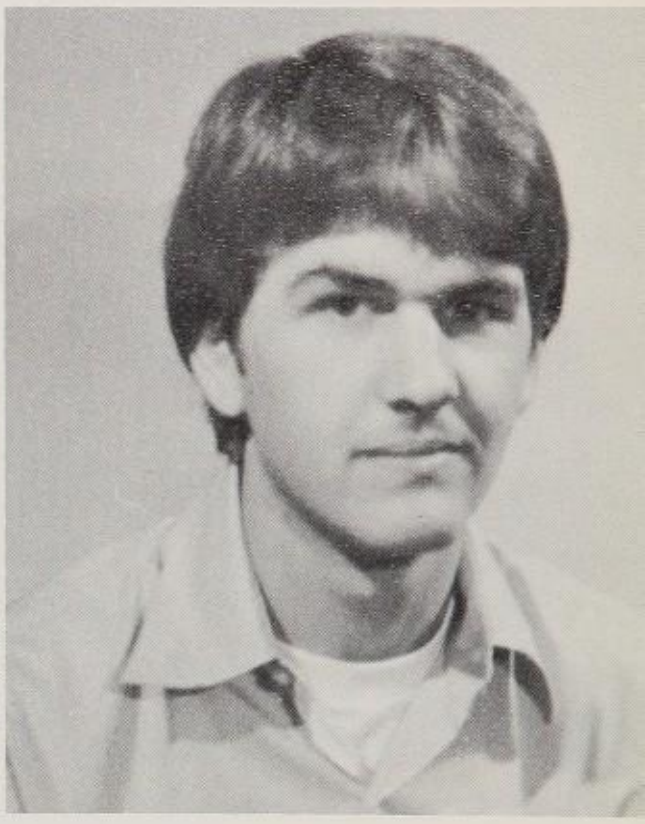
Passing college tests in the National Merit League were our merit winners CRAIG WOOD, VIRGINIA CROCKETT, AND MONTY OHREN.

LINDA WITTROCK was chosen as this year's Most Outstanding Musician from all the instrumental groups at J.B.H.S. She was also selected for the All-Southern California High School Honor Band. Playing 1st Clarinet in both our band and orchestra shows that Linda really has a great talent.

Honors, and Foreign Lands a few Activities at J.B.H.S.

Representing John Burroughs as a Boys State Representative 1971, was JOHN ADAMO.

One of our three 1971 Boys State Representatives was RON FRANCE.



Getting the honor of Most Outstanding Musician in the Band was Bill Milner. Bill is Burroughs' lead trumpeter in the Stage Band and 1st trumpet in the J.B.H.S. Band and Orchestra.

Chosen to be the other Boys State Representative was ELIUD GARCIA.

Dixieland Band

The members of the Dixieland Band are:
Barry Russell
Pam Bernstein
Linda Wittrock
Greg Hartman
Jeff Pastor
Mike Lafayette
Chris Walsh
Ken Cole

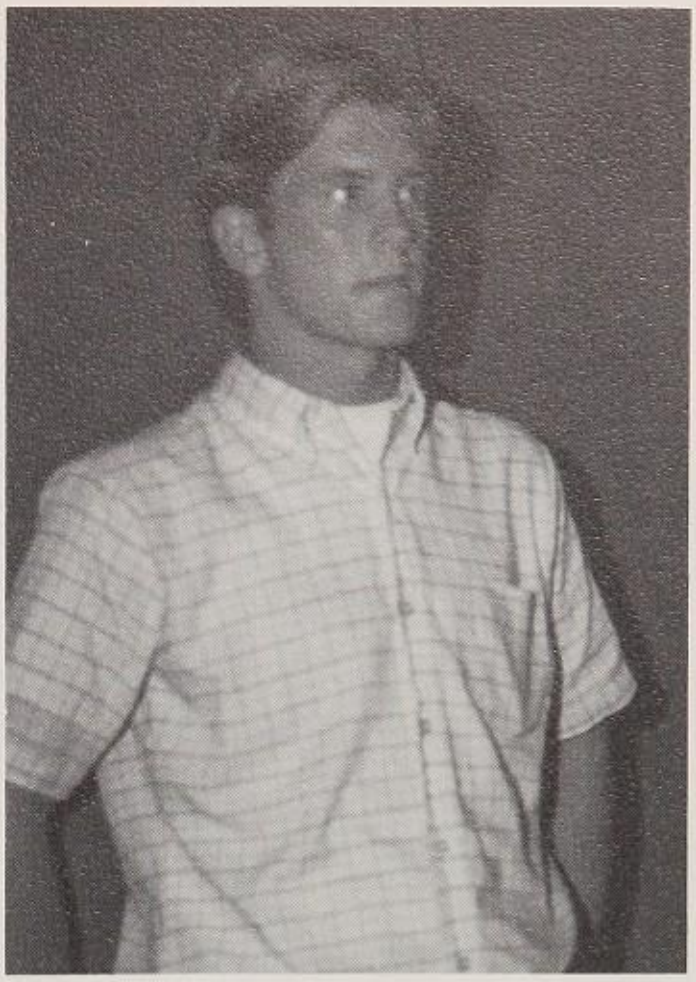
Practicing many hours and playing for benefits and many other things are the members of the Dixieland Band.

France is the home of our perky foreign exchange student Dominique Brabec.

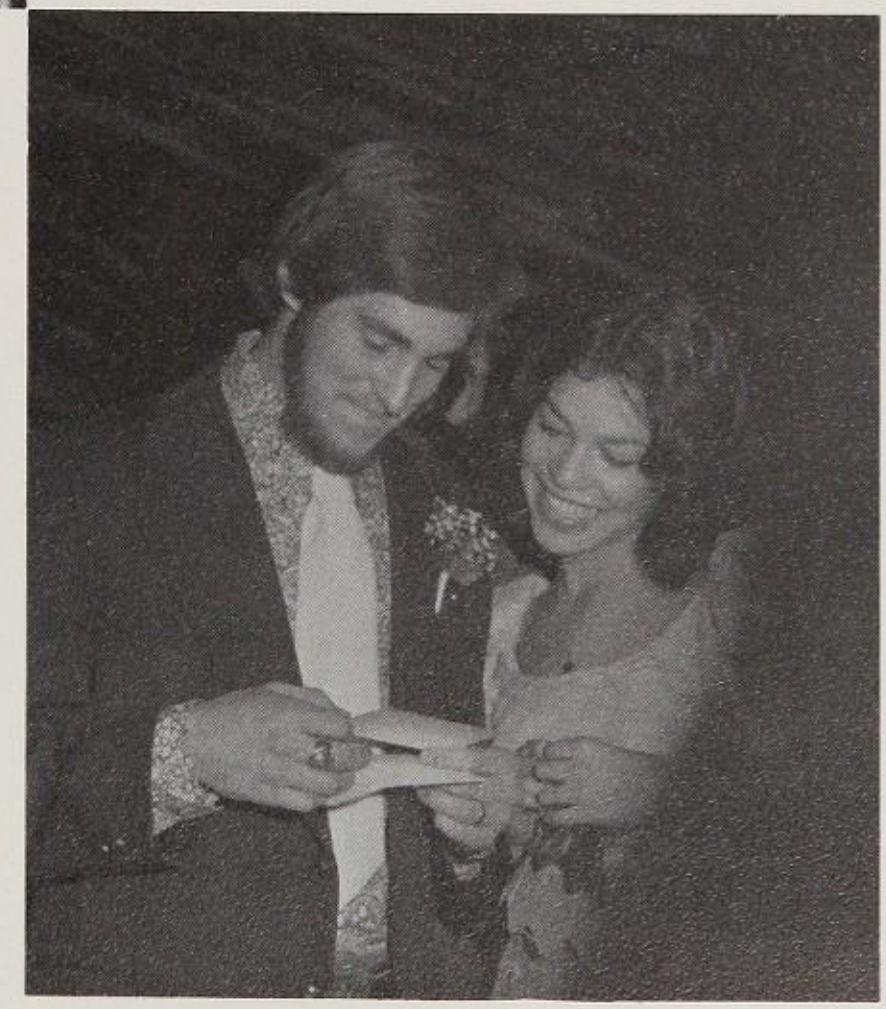
Getting the honor of being the Burroughs Girls State Representative was Cecelia Sanchez.

Doing the hard work and organization of C.S.F. President was Virginia Crockett, the 1971-1972 president.

There are many students at Burroughs that get recognized with honors each year. Some are given a symbol of the honor and some are just given thanks. The Dixieland Band works many hours. These people worked hours on their own. They played for people at convalesant homes on their time, they thought of others instead of themselves. There was also Dominique Brabec our Foreign Exchange student. Coming from France, Dominique had alot of adjusting to do. Cecilia Sanchez the 1971 Girls State Representative represented Burroughs and California with ease and grace. The C.S.F. President, Virginia Crockett, worked hard at doing the Presidents' duties. Getting the honor of Backwards Dance King was Jon Funk.



Getting the honor of the highest academic student is really something, and Craig Wood fit the honor perfectly.



The king of the Backwards Dance, Jon Funk, and his date, Stephanie Santoyo, look like they really enjoyed themselves.

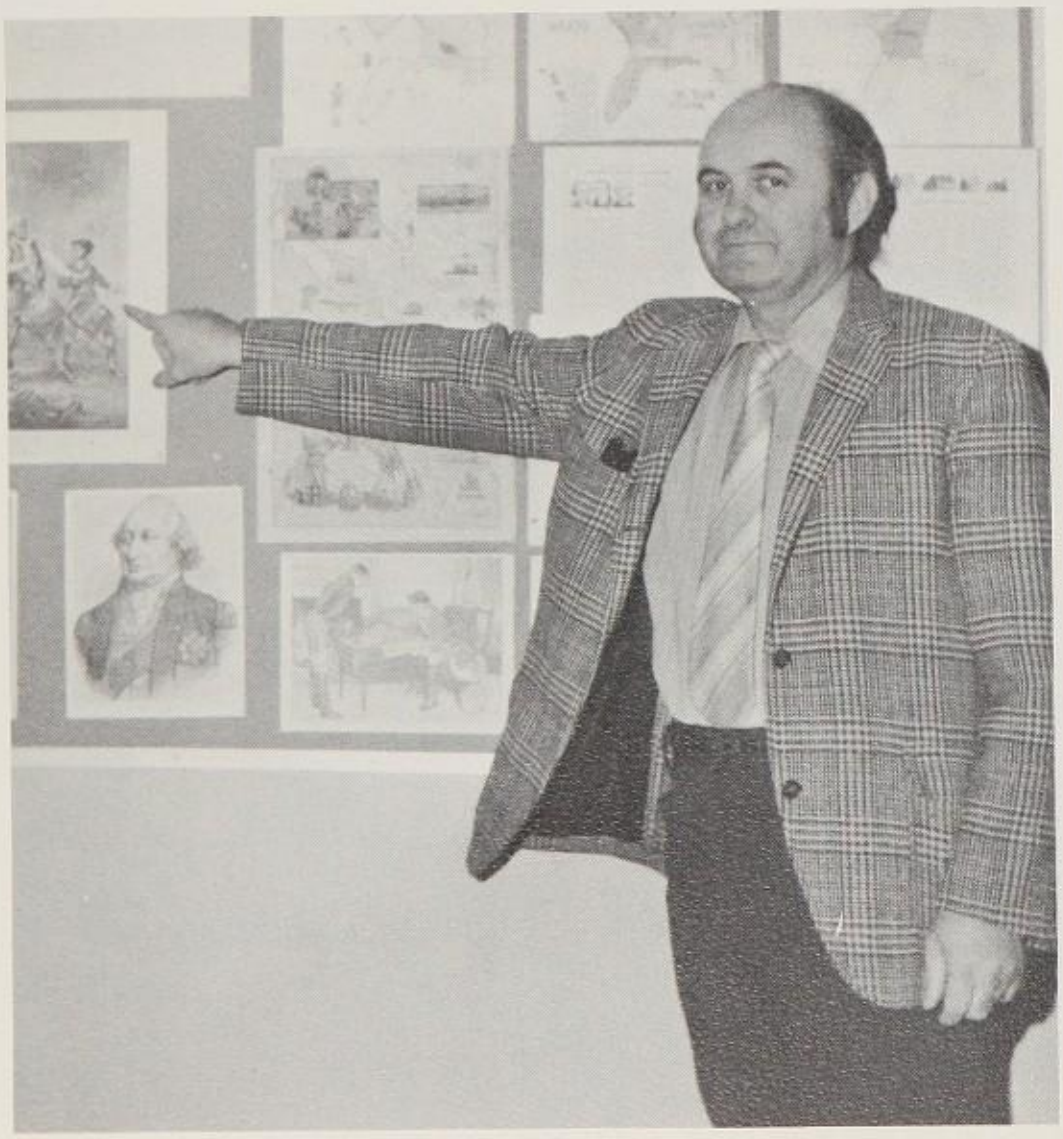
High academic ability receives

1972 CALIFORNIA SCHOLARSHIP SOCIETY

C.S.F. members received honors for their high academic work. They were able to participate in the "free period" program which meant they were released from classroom supervision. The members also accompanied John Goddard on the annual spring hike.



Advising the inactive Honor Roll Society and C.S.F. is Mr. Marshall. He took part in all C.S.F. activities.

ORGANIZATIONS

Student government

Fall President, ELIUD GARCIA, devoted many hours to the Student Body. A devoted President is always appreciated.

Important matters are usually more effectively dealt with when responsible people are in charge. The John Burroughs fall officers are very responsible people and led by President Eliud Garcia, they dealt with several important matters throughout the year. All officers of the student body government are members of the Executive Cabinet which meets every day fourth period in the Student Body office. The adviser to the Executive Cabinet is Mr. Crawford. One of the biggest and most important function of the Executive Cabinet is the reviewing the budgets of the many student body organizations. It surely takes dedicated people to perform the responsibilities of the student body officers.

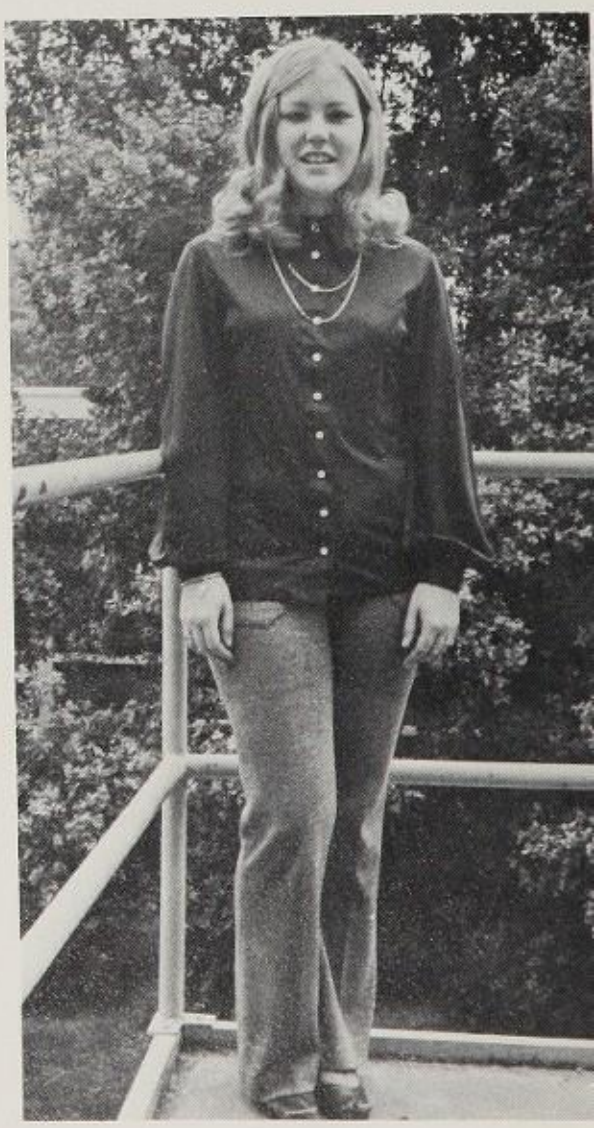
BETH CUMMINS, A.S.B. Auditor, found fall semester rewarding and interesting. When you are interested in a project, it shows.

Glad to have been a right arm, Vice-President KATHY CANNON said, "It was better than being all thumbs."



Alertness and a fast pen are among the qualities that secretary CONNIE BARRON displayed during fall semester.

STEPHANIE DREW was a hit as A.S.B. recorder. She could fill an album with the memories, experiences, well, would you believe a single?

Our Associated Student Body officers

All of the student body gets a chance to vote for the candidate of their choice.

Being Auditor BETH CUMMINS supervises money raising activities and records money expenditures for the A.S.B.

Responsible for all of J.B.'s awards and assuming presidential duties in case of his absence KATHY CANNON does a great job as Vice-President.

Presiding over the Executive Cabinet, Legislative Council and all of J.B.'s assemblies are only a few duties of ELUID GARCIA our A.S.B. President.

re-elected spring semester

A.S.B. Secretary CONNIE BARRON is in charge of all balloting and elections besides her duty of keeping minutes.

Our one newly installed A.S.B. officer is MIKE McGEHEE Boys Council President he is in charge of the Sports Banquets.

In charge of all correspondence received and sent from Executive Cabinet and Legislative Council are among the duties of A.S.B. Recorder STEPHANIE DREW.

A.S.B. set many goals to accomplish throughout the year. During the fall semester several of these goals were fulfilled. Now with the Spring semester underway the cabinet is working hard to keep everyone on campus happy. Among the problems being taken care of are: bike racks put inside the campus, only registered vehicles allowed to park in student parking lot, ecology on campus and a possibility of a smoking lounge. Our A.S.B. officers have also formed a special fund for our Mural in which extra money, on interest will also accumulate. There was also a new sign put up reading "Home of the Burroughs Indians" our officers made this possible.

Committees

"Brushing away" the Pep committee always paints banners and posters, even Michalangelo would get down from his ceiling to see.

Rally committee delightfully "dilly dallies" to put together a Burroughs rally. Rallies are always an enjoyed event.

It takes a fun group to make fun and interesting assemblies. The Assembly Committee this year proved that by getting together some "veeeeery interesting" assemblies.

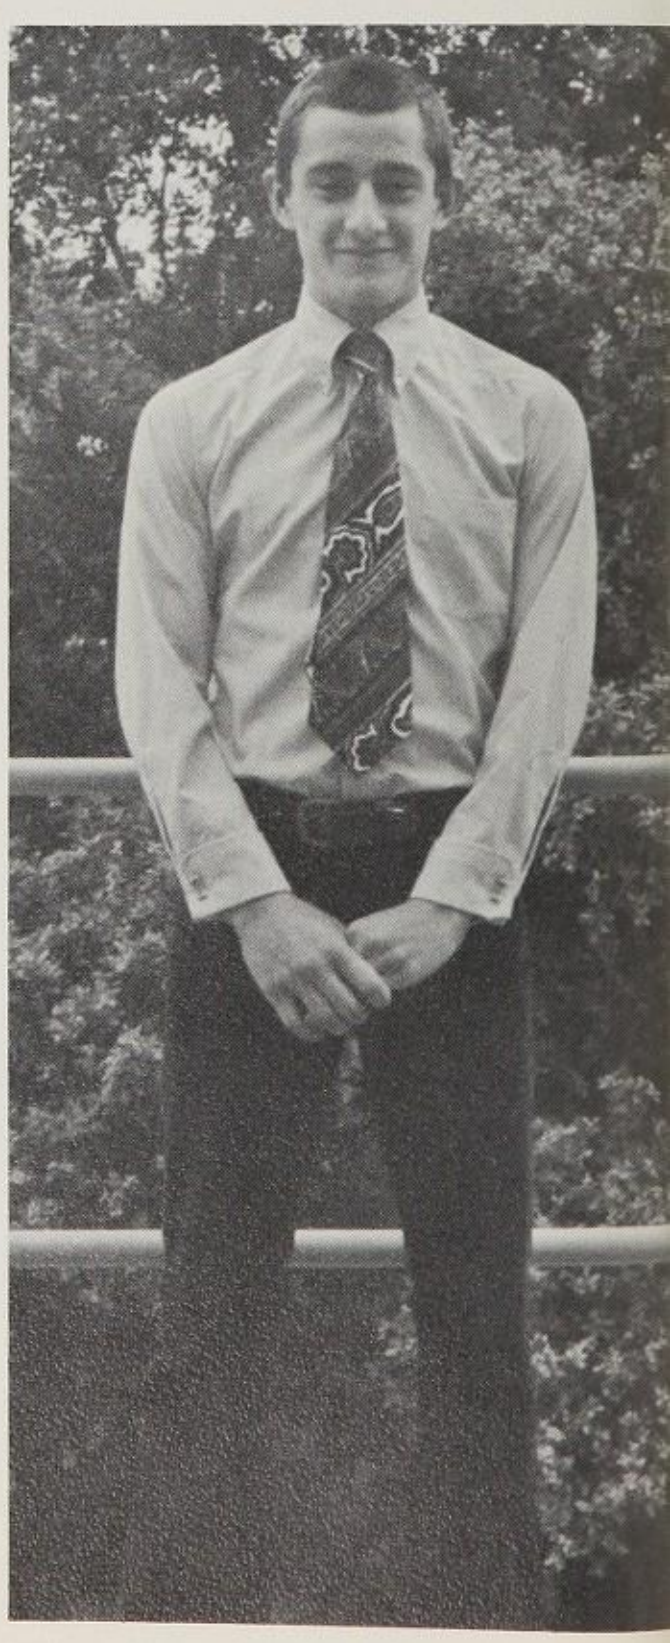
Burroughs'

Boys' Council president and vice-president, Louis Talamantes and Manuel da Motta, along with advisor Mr. Brewer, preside over a meeting to discuss future activities for boys.



Boys' Council president Louis Talamantes has an important job of directing activities and projects for the boys of John Burroughs.

Coach Dunivant awards most valuable player Jon Funk a football trophy during the Fall Sports Banquet sponsored by Boys' Council.

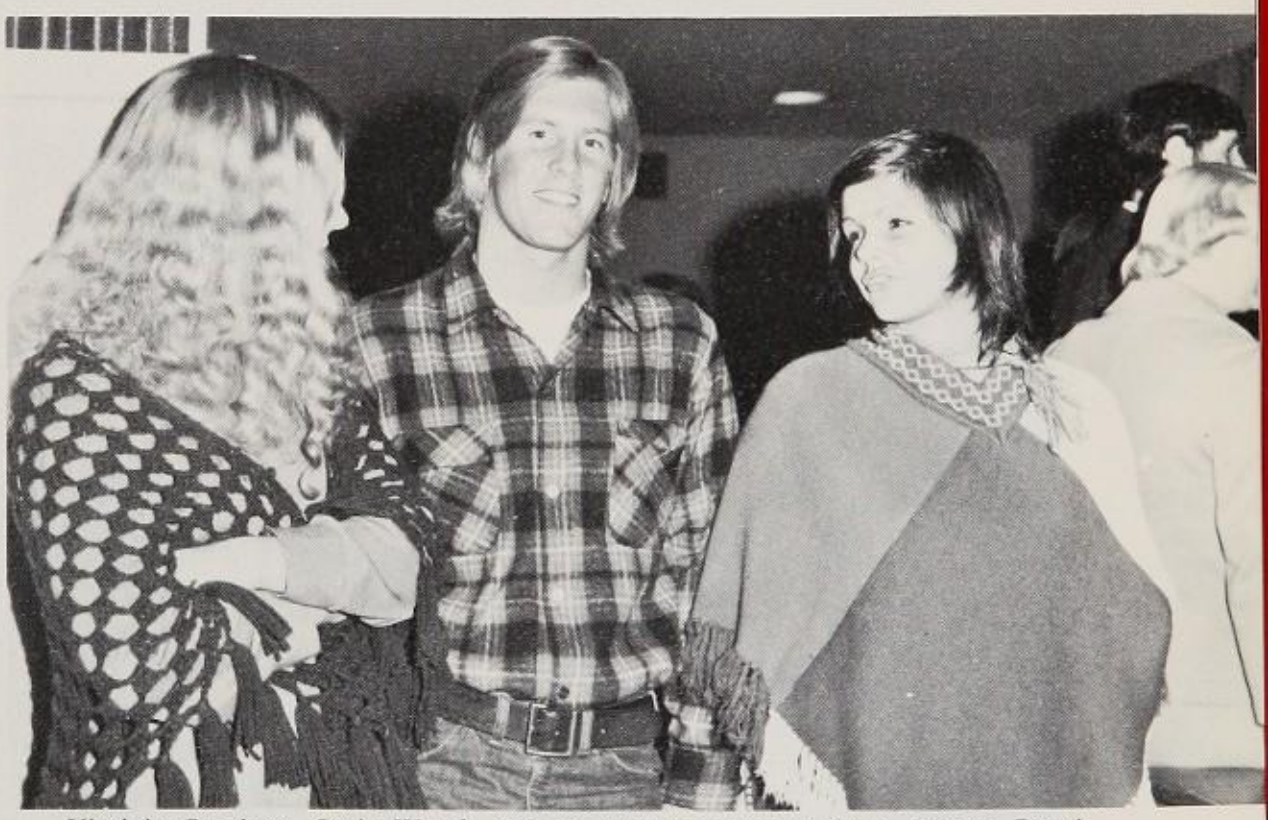
students enjoy a variety of activities

Paul Smith, Bob Hutchison, Monty Ohren, Eliud Garcia and Mr. Richard Zucker build another bridge over the Student-Teacher gap by conversing openly at one of the Student-Faculty meetings.

Boys' Council is made up of president, vice-president and certain representatives from each grade level. They are responsible for the football programs, and handle the balloon concession for the Burbank-Burroughs football game.

They sponsor the Fall, Basketball, and Spring banquets each year. In previous years Boys' Council has allowed for each senior who has lettered in his sport to receive a free meal at the banquet. This year their budget made it possible for them to provide a free dinner for all boys who lettered, regardless of class.

Depending upon their funds at the end of the year, Boys' Council awards two or three scholarships to those seniors most deserving.



Virginia Crockett, Craig Wood, and our exchange student from France, Dominique Brabec, enjoy a few minutes out of their busy school schedules to relax at the A.F.S. Banquet.

Le Cercle Francais (French Club) is open to students in second or third year French to learn more about France, the French people, and their language.

Girls play an active part at

Here we have our Girls' League President, PEGGY LAMB, talking over important business with BARBARA WIND and BETH CUMMINS and the rest of the committee.

These are the girls and their mothers at the Mother-Daughter Dinner. There doesn't seem to be any generation gap with this group.

LYNNETTE POPE, SHARON MERRIL, and BETH CUMMINGS are reading over some exciting news at one of the Girls' League Meetings.

J.B.

Upon entering Burroughs, every girl automatically becomes a member of Girls' League. The purpose of the organization is to promote friendliness and school spirit. Girls' League sponsors many activities such as the Mother-Daughter Banquet and a car wash.

Each P.E. class elects one representative and one alternate. They attend the meetings, held once a week, and then report to their classes the ideas and future plans of Girls' League.

Some of our new girls at the New Girls' Tea seem to be talking things over.

Here's a large group of new girls getting acquainted at the New Girls' Tea held in the Senior Patio.

This year's Girls' League president is PEGGY LAMB. This year she's done a great job of sponsoring things such as the Mother-Daughter Dinner and the New Girls' Tea.

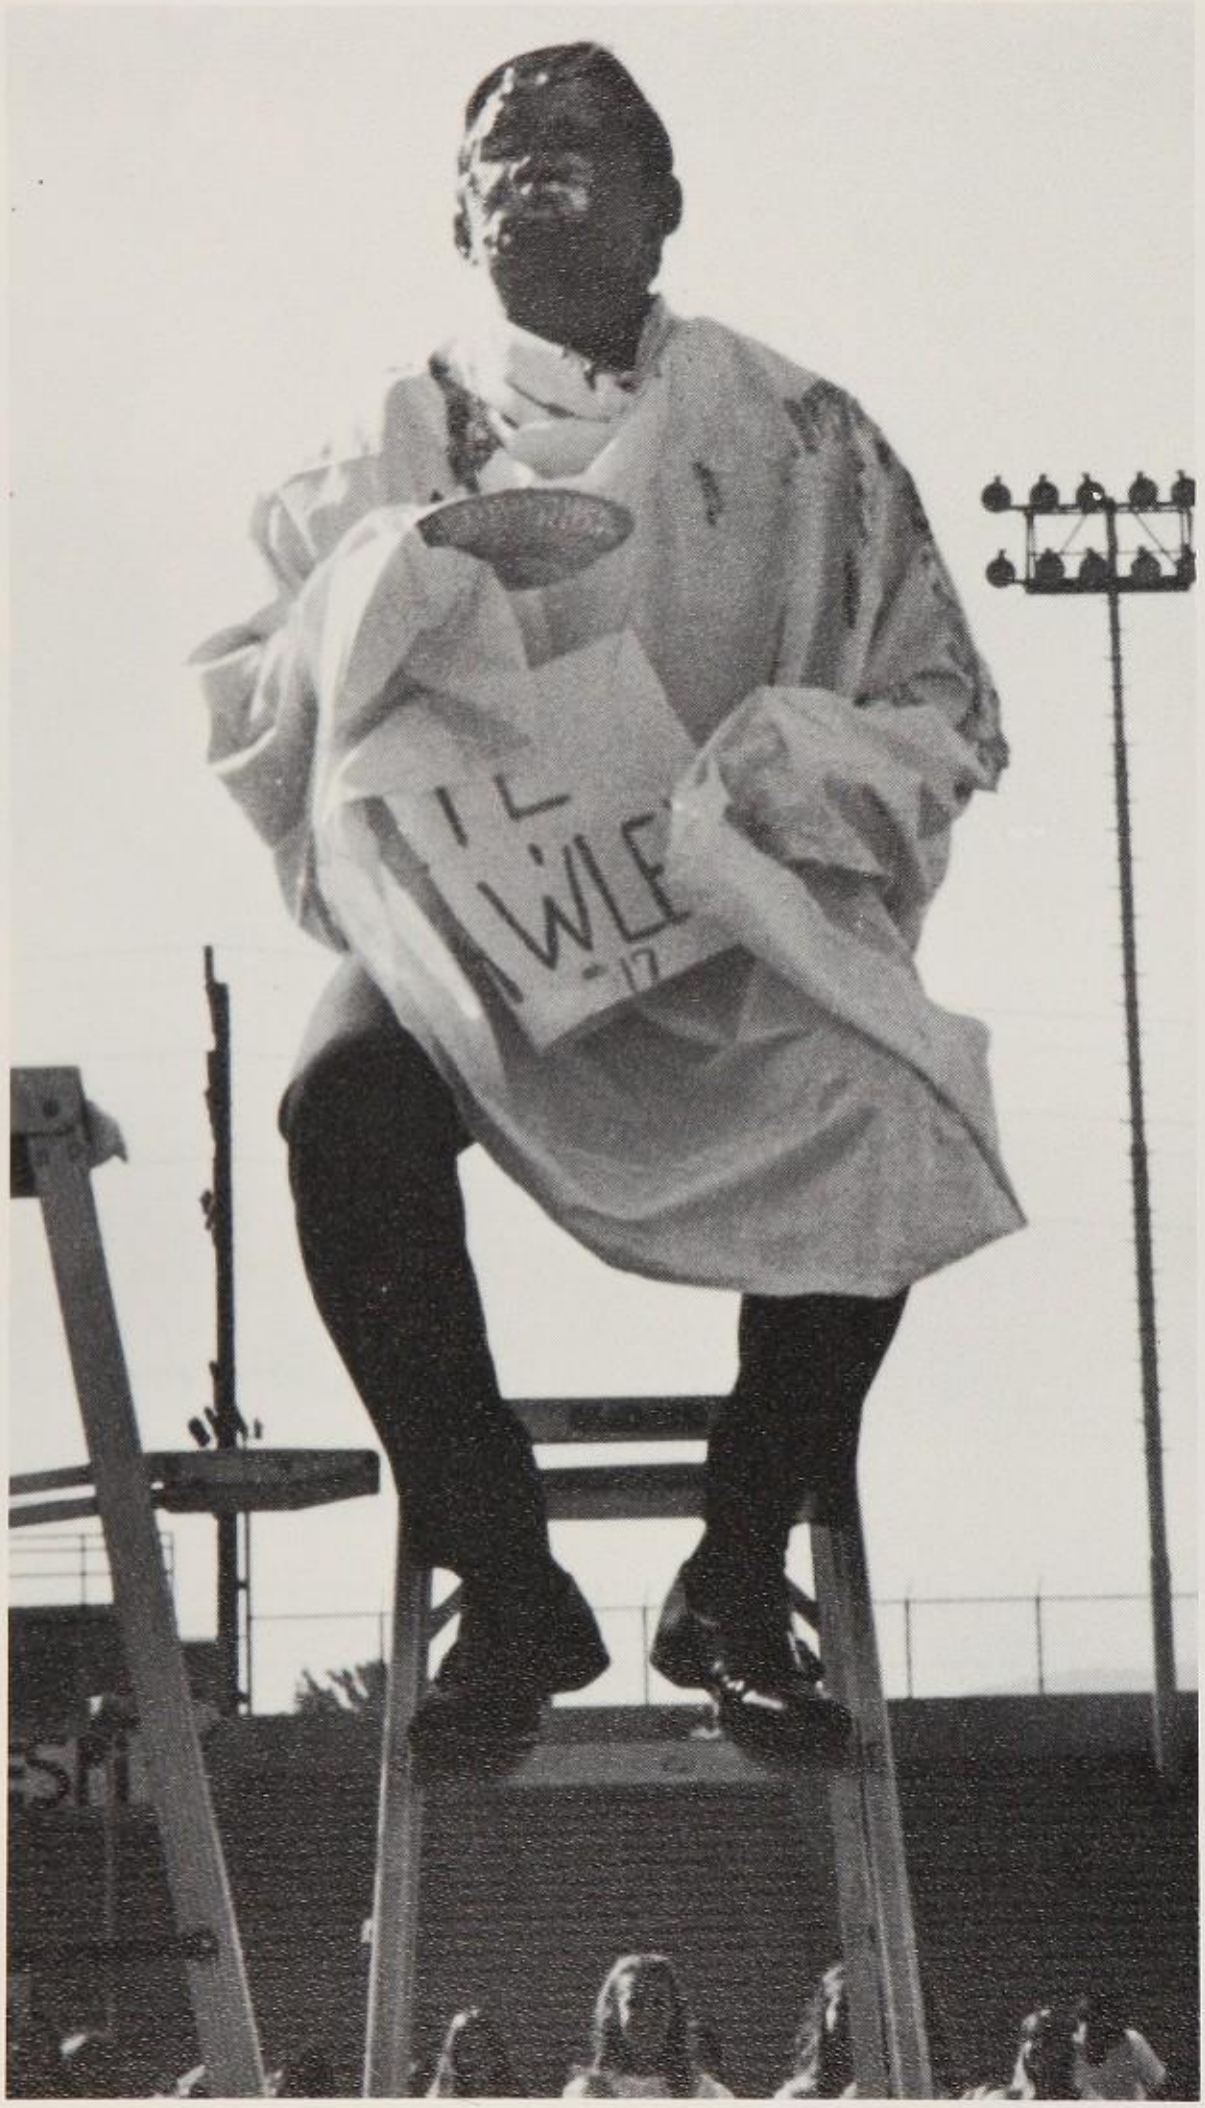
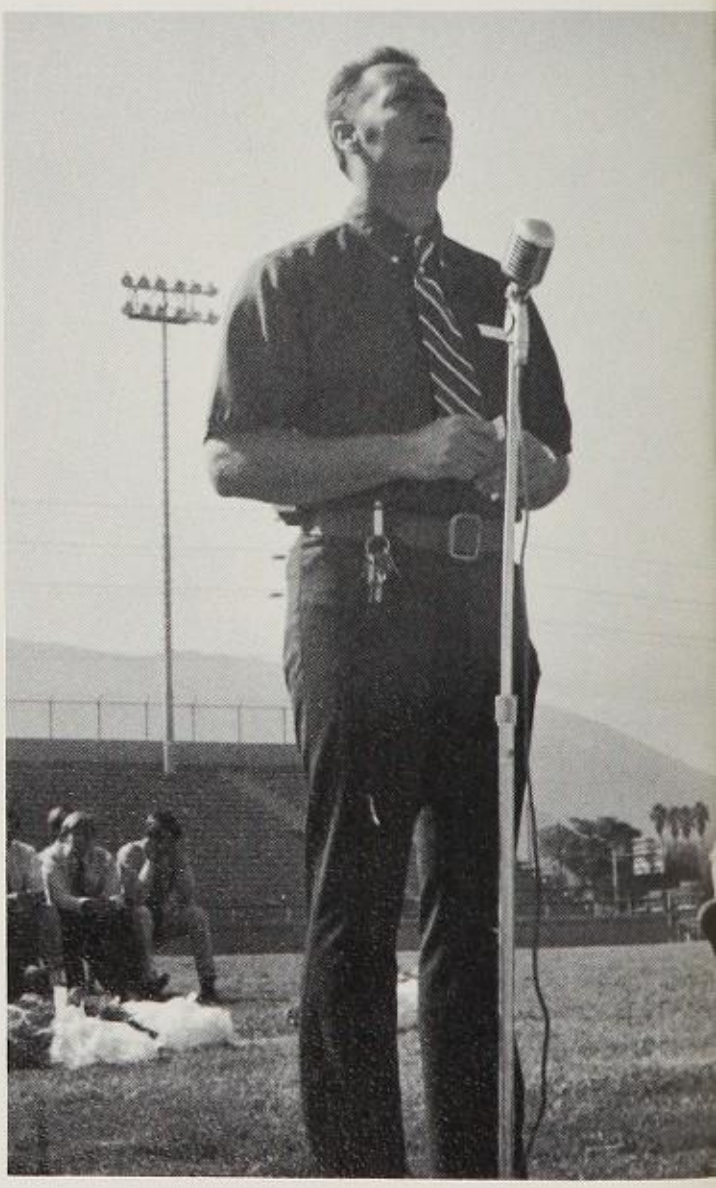
Who has the best team in the land?

School spirit was sailing through the air on yells and cheers and being absorbed by an enthusiastic student body during the first football rally held September 24. "Think Spirit" was the theme that the Yell Leaders and Song Leaders attempted to impress on the students to motivate them into high spirits. Many people spend many hours planning the rallies to create school spirit.

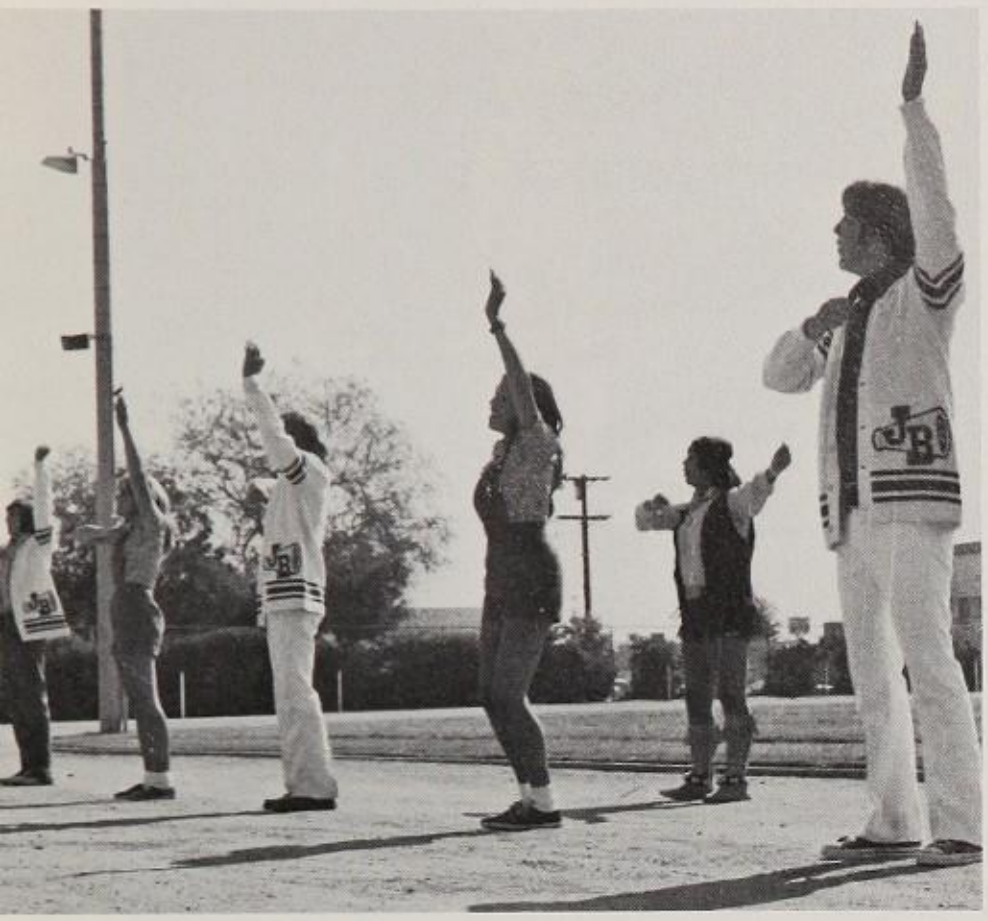


A taste of raspberry and a bit of whipped cream as coach KEN TADA bravely held his breath to be served some pie in a high spirited skit presented by the Song Leaders.



Coach BOB DUNIVANT, at the rally, spoke of the determination of this year's mighty Indians.

Burroughs!



With arms held high in a cheer for John Burroughs, Yell Leaders help drum up more school spirit.

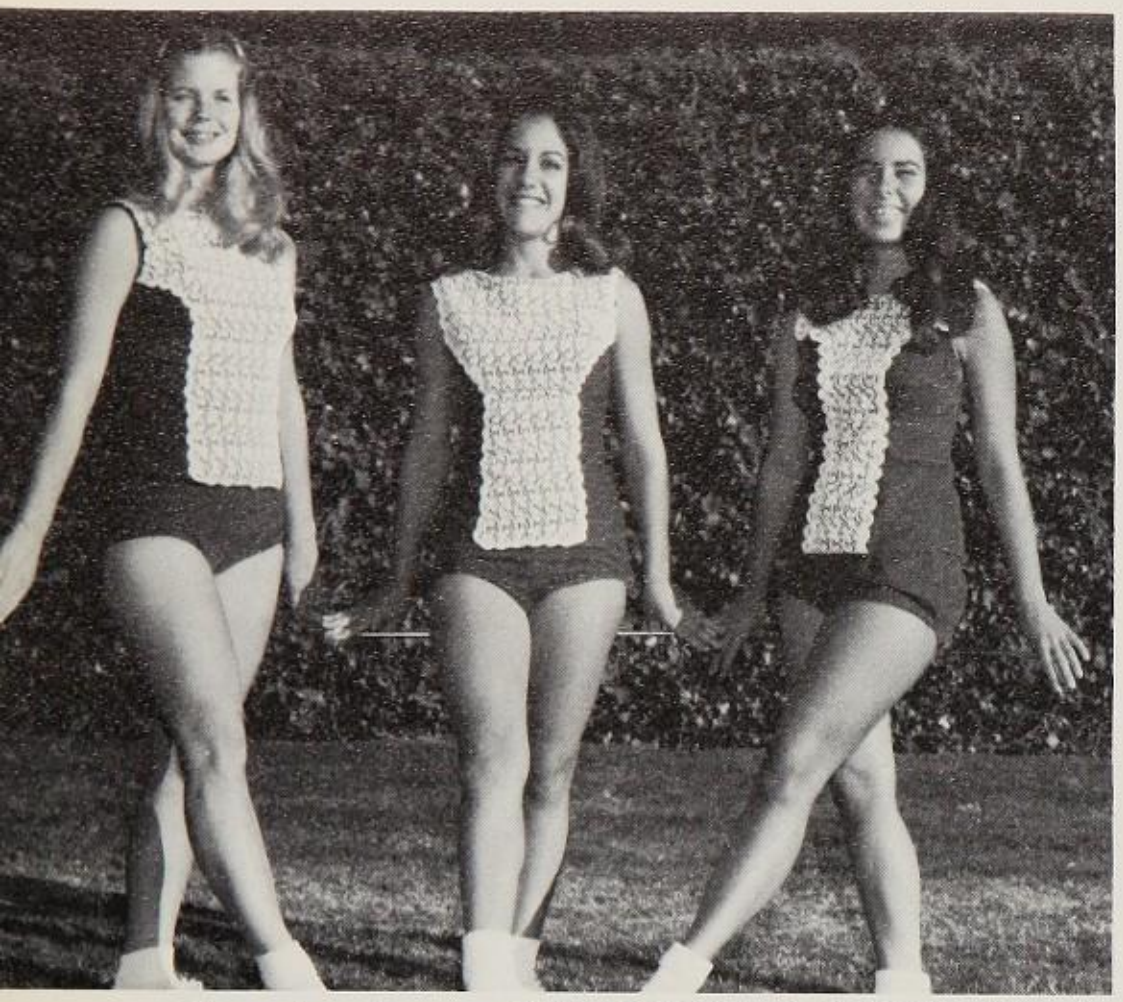
Now clamoring to the coach for new secret plays, this team earlier showed to students the unique training program of our Indians.

Kicking up a storm of good old J.B. spirit during the rally, were Song Leaders CAROLYN FROST, CYNDY HADDAD, VIVI ANN STAURSET, MELANIE NYSTROM and SUSIE AKINS.

Their performance included a skit and a routine to the song "It Don't Come Easy."

page editor: cindy wood

The roar of the crowd will linger on



This year's majorettes are KELLEY MORGAN, JOANN LENTO, the head majorette and KATHY BRODERICK. A panel of students and teachers chose the majorettes on the basis of poise, and proficiency with the baton, and grade average.

Twirling their way through a sharp routine, the majorettes and flag twirlers livened up many playing fields this year. Our three majorettes and eight flag twirlers spent many out of school hours perfecting the colorful routines witnessed by the student body. With flags snapping and batons flashing, they accompanied the John Burroughs Redskin Band at various parades.

Many girls tryout before a panel of teachers and students to become members of these groups.

Flag twirlers this year are DEBBIE BROWN, ROBIN MOUNCE, SUE SNOW, FAITH COMPTON, KATHY WHITESAL, LYNNETTE POPE, PATTI BURKE and STEPHANIE DREW, their captain. The girls spend many hours perfecting their routines.

Drumming up indian power is MARIO RODRIQUEZ, this year's mascot. He was elected last fall by the student body.

An honorary indian, MARIE CENTENO, works with the mascot in pepping up the crowd at various games. She was elected in the spring of 1970.

Added to the Redskin Band this year is a Color Guard, which precedes the band and takes part in half times. The Color Guard includes KATHY MEYER, captain, CHRIS EHRENGRUBER, JILL ELLIS, RENEE FRANCES, KATHY SINKS, BARBARA WIND and SANDY SMITH.

Let us sing
a song of victory

The cheers came loud and clear from STEVE THOMAS our head yell leader.

Full of spirit and soul is one of our girl yell leaders STEPHANIE SANTOYO.

The spirit of junior JEFF HALTER is definitely contagious.

Talk about enthusiasm here's a girl with a surplus, meet JAN SALERNO.

Starting the season with lots of spirit, the Burroughs yell leaders do their thing.

Always in tune and in step is MELANIE NYSTROM one of John Burroughs songleaders.

"Sweet Sue, it's got to be you." Meet SUSIE AKINS one of our songleaders.

Bright eyes and a big smile describes CYNDY HADDAD singing on for Burroughs.

A spirited kick and shaking pom-poms are the trade marks of CAROLYN FROST.

There's a definite twinkle about VIVI STAURSET as she goes about her business of spreading spirit.

Yell leader DANNY MURPHY does a great job of arousing school spirit.

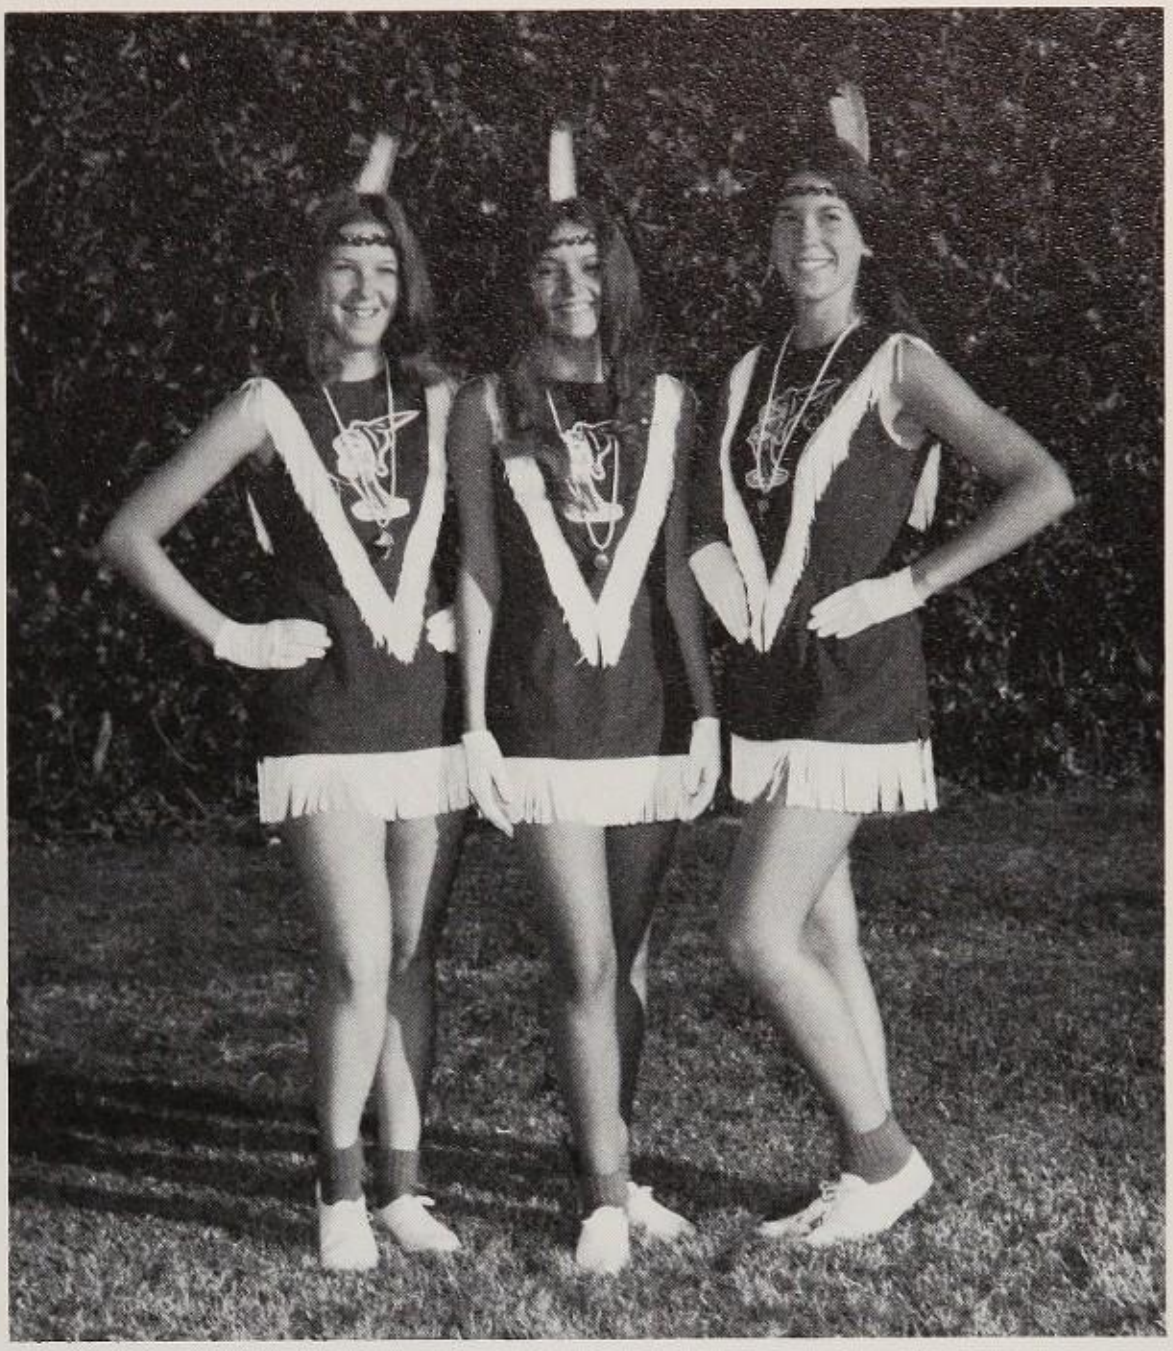
"There was an old lady who lived in a shoe, she had so many children, she didn't know what to do. "Well they could have all become Injunettes. Mrs. CAROLYN WYATT is the adviser of this shoe full of Injuns, but hardly an old lady—she is often mistaken for one of the girls.

Injunettes entertain Burroughs fans



One thing is for sure, the girls in Injunettes have the brightest smiles, rain or shine. Smiling brightly are: PAULETTE SLATER, SUE MOORBERG and MARILYN OZUROVICH, the co-captains of the 1972 Injunettes.

Injunette Captain, JOAN SCHULTZ, is "heap big leader" of the Injunettes. She is a fine example of mighty responsible feminism. She whistles the signals like a Robin somewhere in the distance.

In each of us exists the desire to achieve. One of the hardest working groups at John Burroughs is the Injunettes. Achievement is only one of their goals, because satisfaction and gratification are also included. These girls devote many long hours to the group. The responsibilities and strict regulations of the group definitely prove that this is one of the outstanding female organizations on campus.

Their routines and tremendous effort exerted at various parades requires leadership and stamina. John Burroughs, plus the hundreds of spectators who have enjoyed their hard work, greatly appreciate them. May future girls at John Burroughs carry on the good reputation of the 1972 Injunettes.

Royal house of Burroughs reigns at

Fall Sports Queen

The girls nominated for 1971-72 Fall Sports Queen were Susie Akins, Patti Canfield, Brianne Donahue, Carolyn Frost, Lois Giles, Cyndy Haddad, Lorie Iverson, Suzanne Jones, Terry Kellerhouse, Sharon Merrill, Stephanie Santoyo and Karen Wurm. They were chosen by football, water polo and cross country teams. Then by the votes of the student-body the final decisions were made. The Queen and her court reigned at the annual Burbank-Burroughs football game.

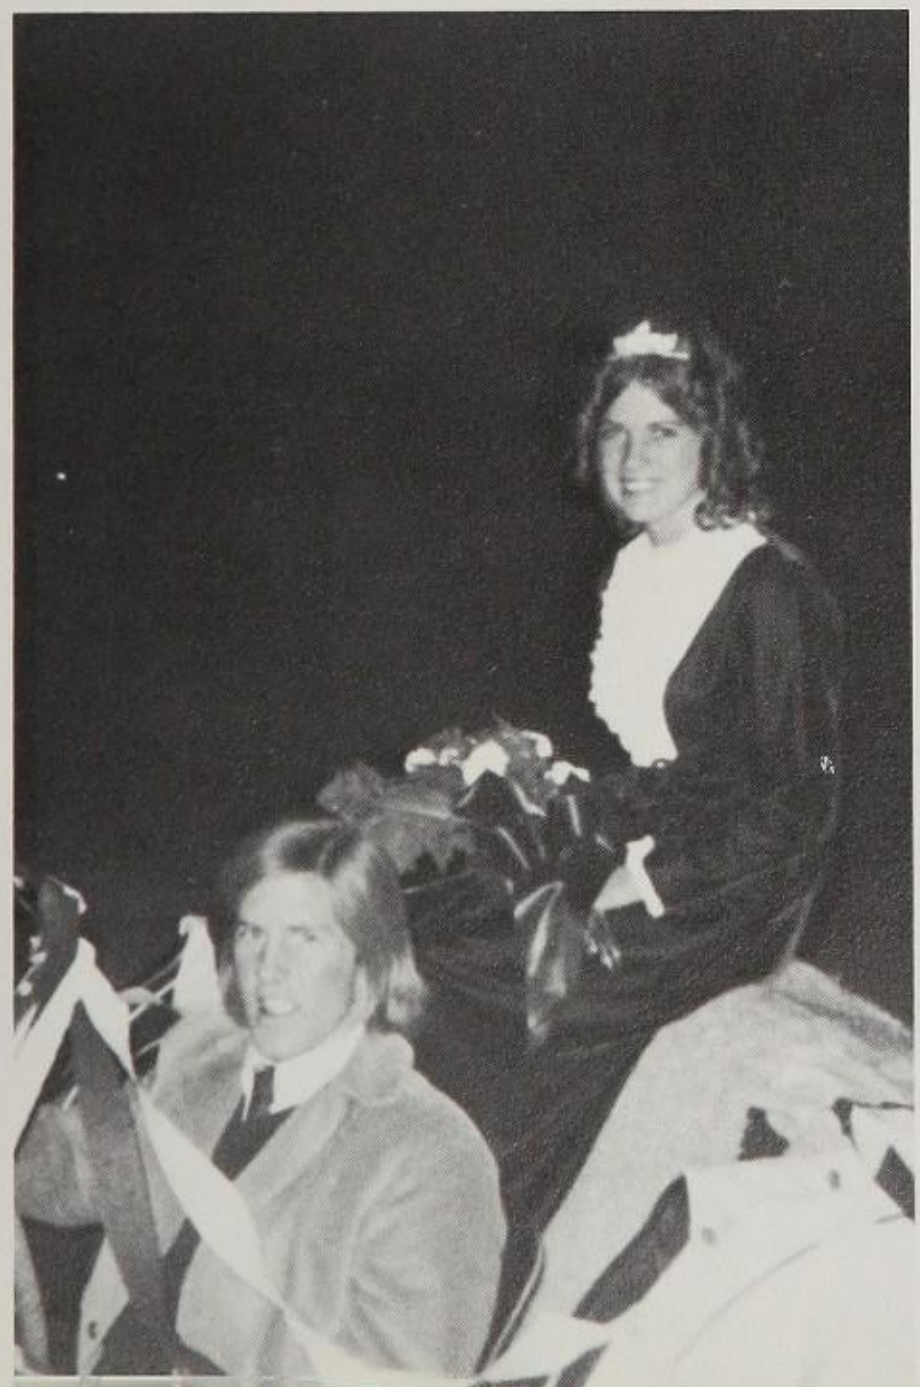
Homecoming

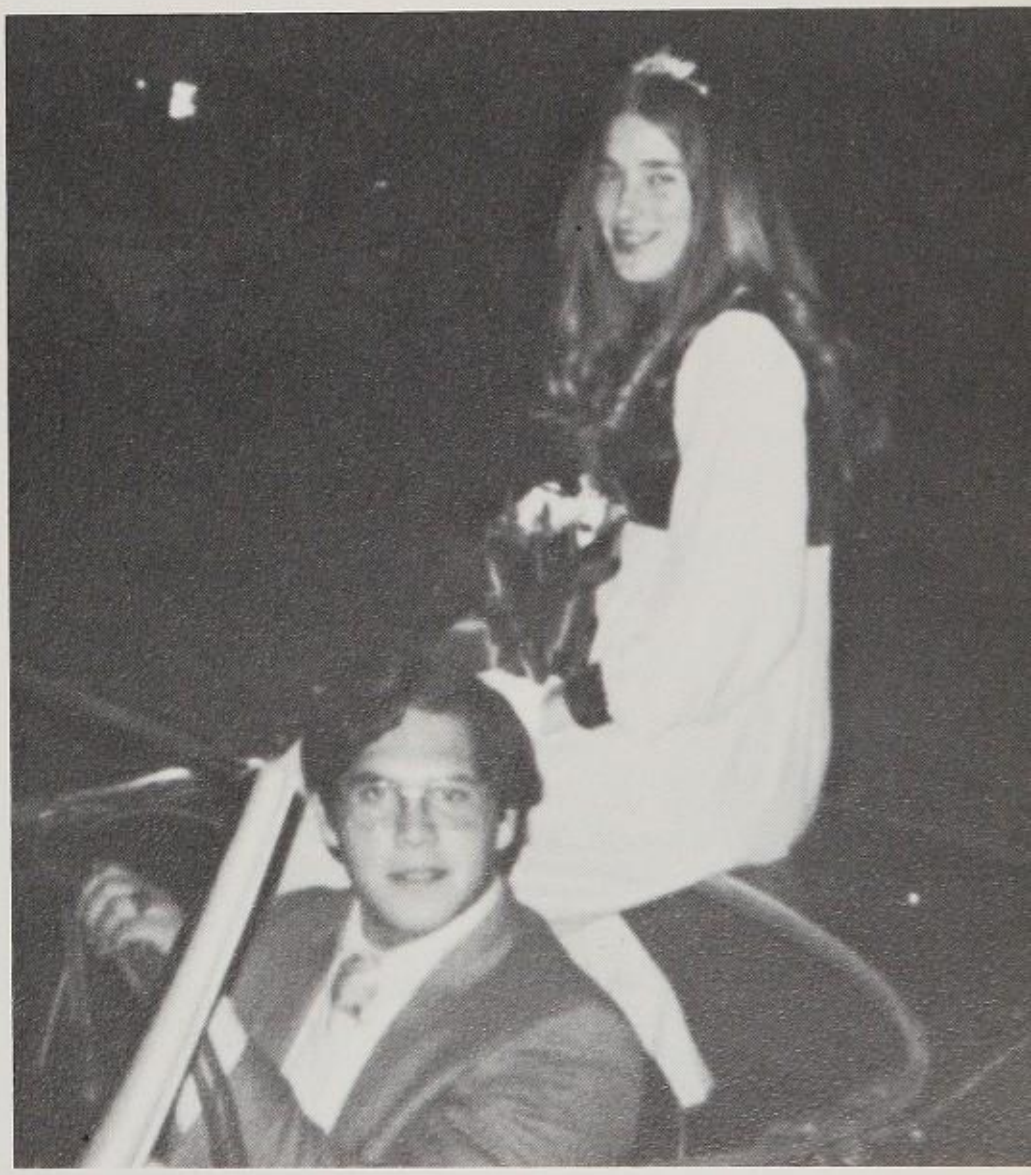
The 1971-72 Fall Sports Queen is BRIANNE DONAHUE. Varsity football captain JON FUNK crowned Queen BRIANNE DONAHUE at the football rally.

Stunned at the crowd DANNY MURPHY escourts 1st princess CYNDY HADDAD in front of 1500 people.

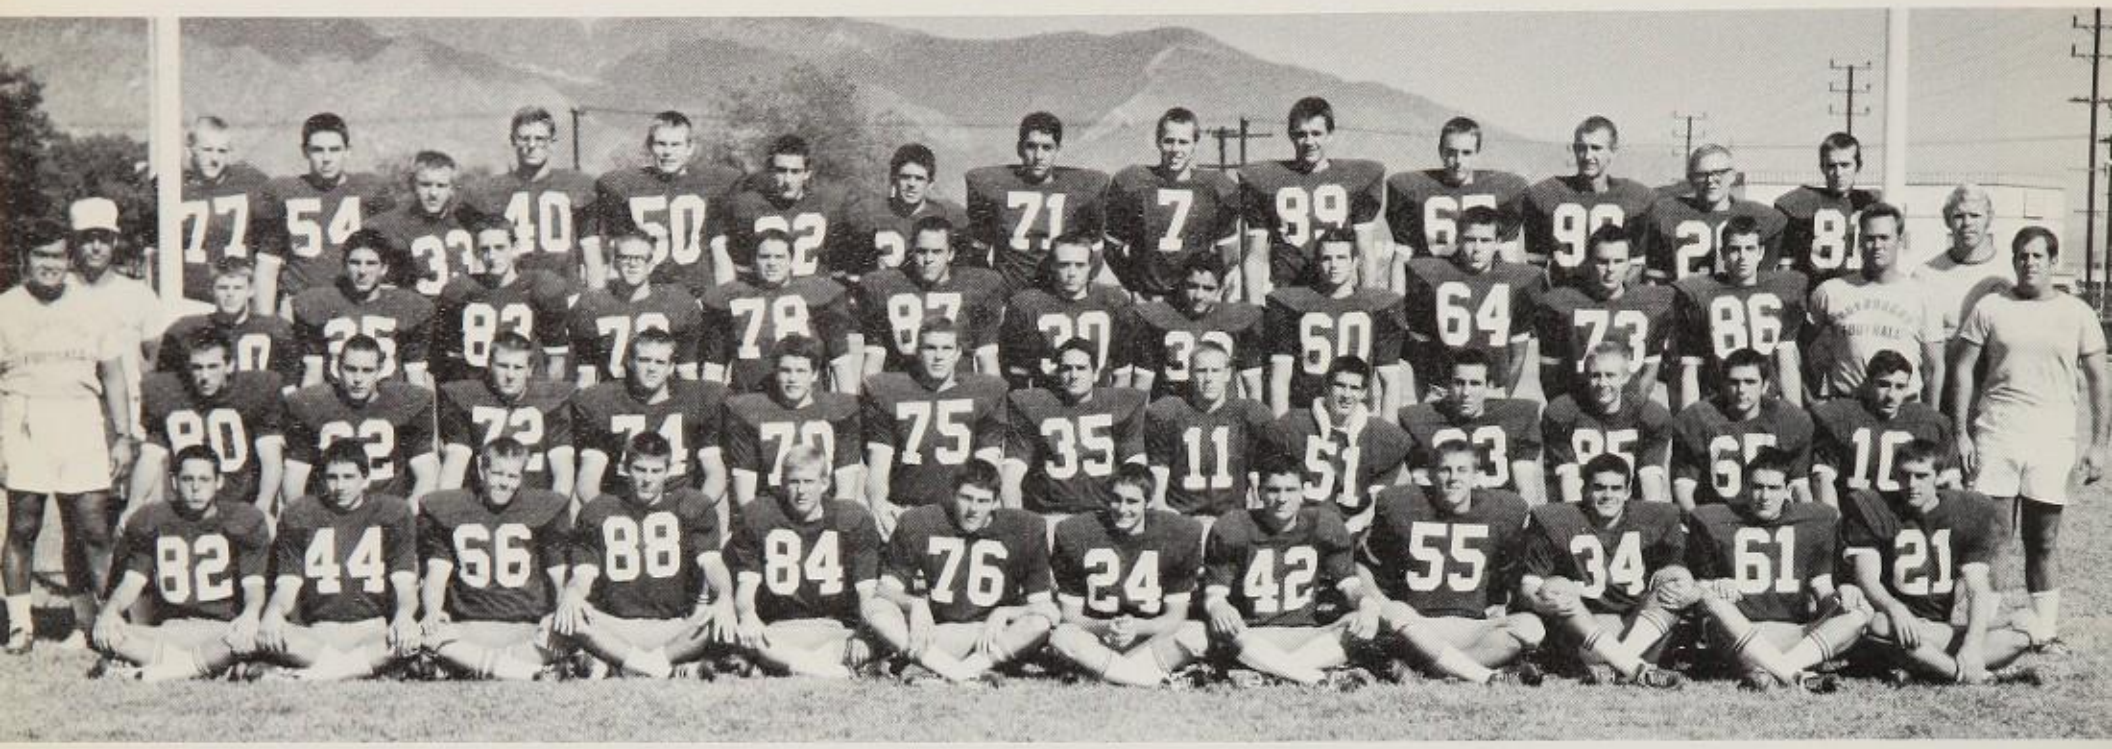
Honored as 2nd princess is junior PATTI CANFIELD who was escourted by CRAIG WOOD.

ELUID GARCIA was privileged to escourt 3rd princess SHARON MERRILL at the Burbank-Burroughs football game.





1972 Varsity



We present the 1972 INDIANS; 7 Terrill Morgan, 11 Tom Lawson, 20 Ron Singleton, 21 Jeff Burg, 22 Louis Talamantes, 23 Rick Mendoza, 24 Jon Funk, 25 Kevin Recchia, 30 Mike McGehee, 31 Bruce Kranzburg, 32 Manuel daMotta, 33 Mike Vensky, 34 Robert Mendoza, 35 John Barnhart, 42 Sam Adams, 44 Dan Ossello, 50 Dennis Vanderwall, 51 Bill Heidenberger, 52 Jack Chavoor, 53 Randy Garetto, 60 Steve Davis, 61 Mike Moorhead, 62 Jim Hergenrother, 63 Steve Mason, 64 John Cannon, 65 Barry Catlett, 66 Steve Dimick, 67 Robert Olson, 70 Tyler Easley, 71 Mike Delbarian, 72 Joe Kubasak, 74 Jeff Ward, 75 Tom LeRoy, 76 Bob Miller, 78 Marty Sinda, 80 Bob Stewart, 82 Jim Hickman, 83 Randy Stage, 84 Scott Nelson, 85 Galen Peterson, 87 Jay Gudzin, 88 Jeff Budrick, 89 Jim Galbraith.

Guiding the Indians are coaches Mr. DUNIVANT, Mr. BELL, Mr. TADA, Mr. JONNSON, and Mr. DEMAYO.

"This is the most optimistic I've been since 1967," Coach Bob Dunivant related, because "the league is more balanced and we have so many returning lettermen." Pasadena and Muir have left the Foothill League for the Pacific League. This means the Foothill League will have six teams.

The Burroughs Indians ended the 1970 season with a hair raising, 15-12, victory over Burbank High School, the cross town rival, breaking a long three year losing streak. This has given the returnees more confidence, and that, along with some talented newcomers, is a combination that makes for a fighting machine.

Spring drills began with more than 120 young men giving up their afternoons for the love of football. When the dust settled, the long hours of rigorous practice took its toll, for only 83 remained. Most of the dropouts were boys who didn't realize that preparing to play football is hard work.

A lot of effort goes into the making of a good competitive team. In order to keep in shape for the ten league games, the team practices one hour in the morning before school and from four to five hours after school.

Burroughs racers rush opposition

Cross Country Coach Jack Drager is "hoping to improve on last year's record of 6-3." With seven returning lettermen — John Dixon, Bob Wemyss, Randy Kennedy, Mike Froelich, Gordon Shadle, Ric Oslund, and Mark Roman — the team should have no trouble in the five league meets. Coach Drager feels these men are "the backbone of our team" and is "depending heavily on their experience to help our team to victory." Practicing at least two hours a day, the whole team should be running to victory.

The Cross Country Sophomore team is also looking good. Turnouts for the team are the best there have been for a few years.

"Give me some peanuts and crackerjacks, I don't care if I never get back." These are the thoughts of many baseball fans, especially the Burroughs fans. This year we have Steve Kellerhouse, Jon Funk, Bob Kleidon, Steve Dimick, Jeff Budrick, Allan Spruell, and Jim Hergenrother as our returning lettermen. With their experience and the good coaching of Jerry Libman the team should keep moving. The J.V.'s are also a team to keep your eye on. There was a large turnout of fifty for the team. Coached by Craig Bell the team is very promising.

The Varsity team members are: Steve Dimick, Steve Kellerhouse, Jon Funk, Bob Kleidon, Jeff Budrick, Allan Spruell, Jim Hergenrother, Scott Budrick, Scott Nelson, Ray Mayfield, Robbie Vairo, A.J. Brick, and Len Sargossi. Slugging the ball for a really good hit is A.J. Brick of the Varsity Team.

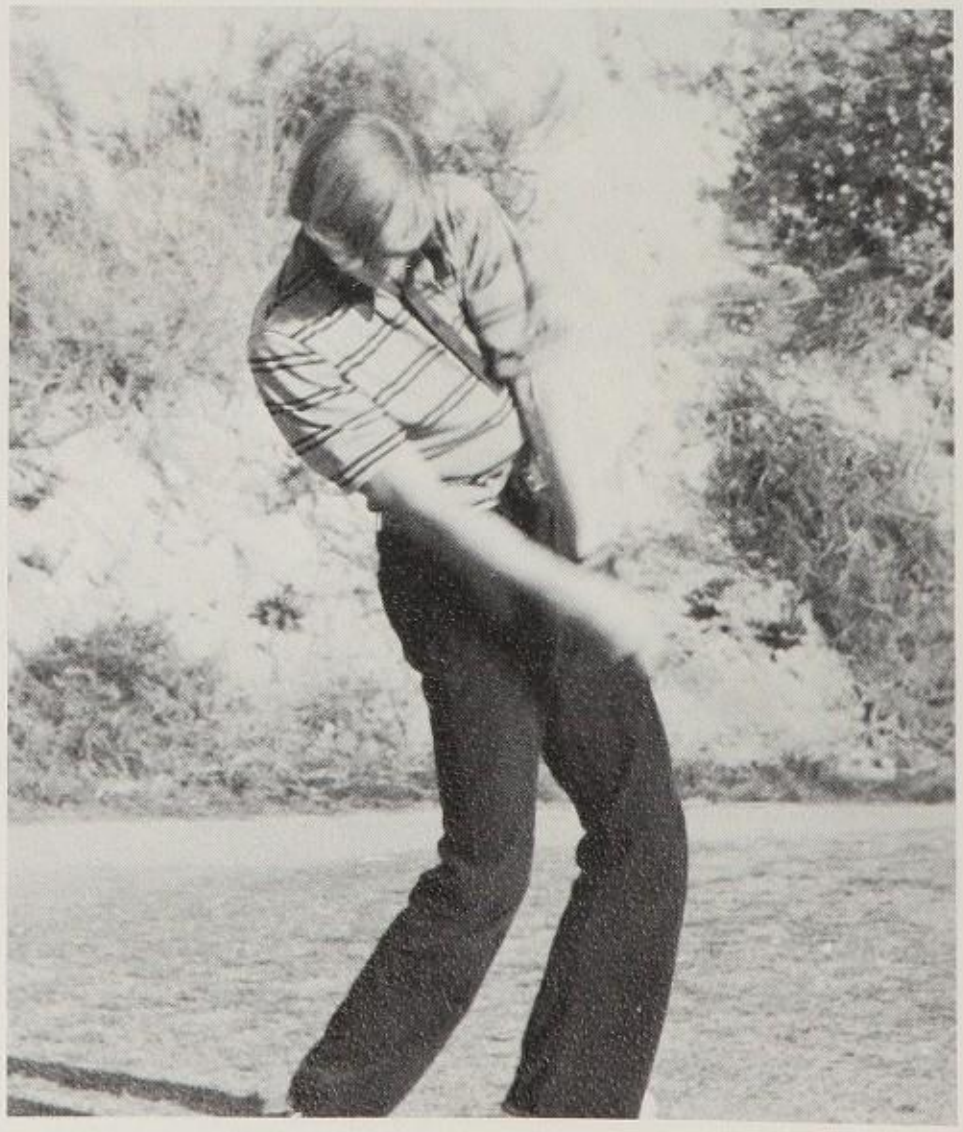
Coach RICH GRIMES took over the 1972 Gol Team.

The John Burroughs Golf team has had extraordinary success the past two seasons, winning the Foothill League in 1970 and finishing second last season with a 10-2 league record. Pasadena, now in the Pacific League, won the crown. Graduating seniors left this year's squad considerably weaker but J.B. is blessed with three fine linksters. Those would include #1 man Jim Miller, #2 man Gary Scardone, and Brian Ash #3. All three are seniors. Other seniors on the Varsity are Bill Wilson (#5), Ken Cole, and Joe Burgoyne. Junior Craig Welch, the only junior in the top six, plays #4. Sophomore Richard Scott is playing #6.

The Junior Varsity team is practicing for play on next year's Varsity. Juniors Mike Goffredo, John Frontera, Larry Wolff, Preston Lewis, Fred Liberman, and Jack Killion round out the J.V. unit.

The strongest teams in the league are Hoover, Glendale, and Burbank. C.V. and Burroughs will battle it out for 4th place unless J.B. can upset Glendale. This is a re-Building year and steady improvement should pay off in the future.



BRIAN ASH makes a long and hopeful putt.

No, RAND GARETTO isn't pretending to be Mickey Mouse. Instead he's focusing upon a surprised subject for another candid shot.

Hysterics! It comes upon the Akela staff near deadlines, when cutlines (such as this one) need to be written and mystery people identified for pictures. Eventually, however, everything was completed and the AKELA was sent to press in early spring.

While the Akela staff is moaning and groaning, Press Photo is rushing around taking pictures for the yearbook and the school newspaper. Taking pictures is only half the job, for they still must be developed. Once that's finished, the prints are given to those who requested them, and Press Photo is off and running on the next assignment.

Caught enlarging a sitution, namely a photograph, are RAND GARETTO and TYLER EASLEY. Press Photo takes, enlarges when needed and prints all their own pictures.

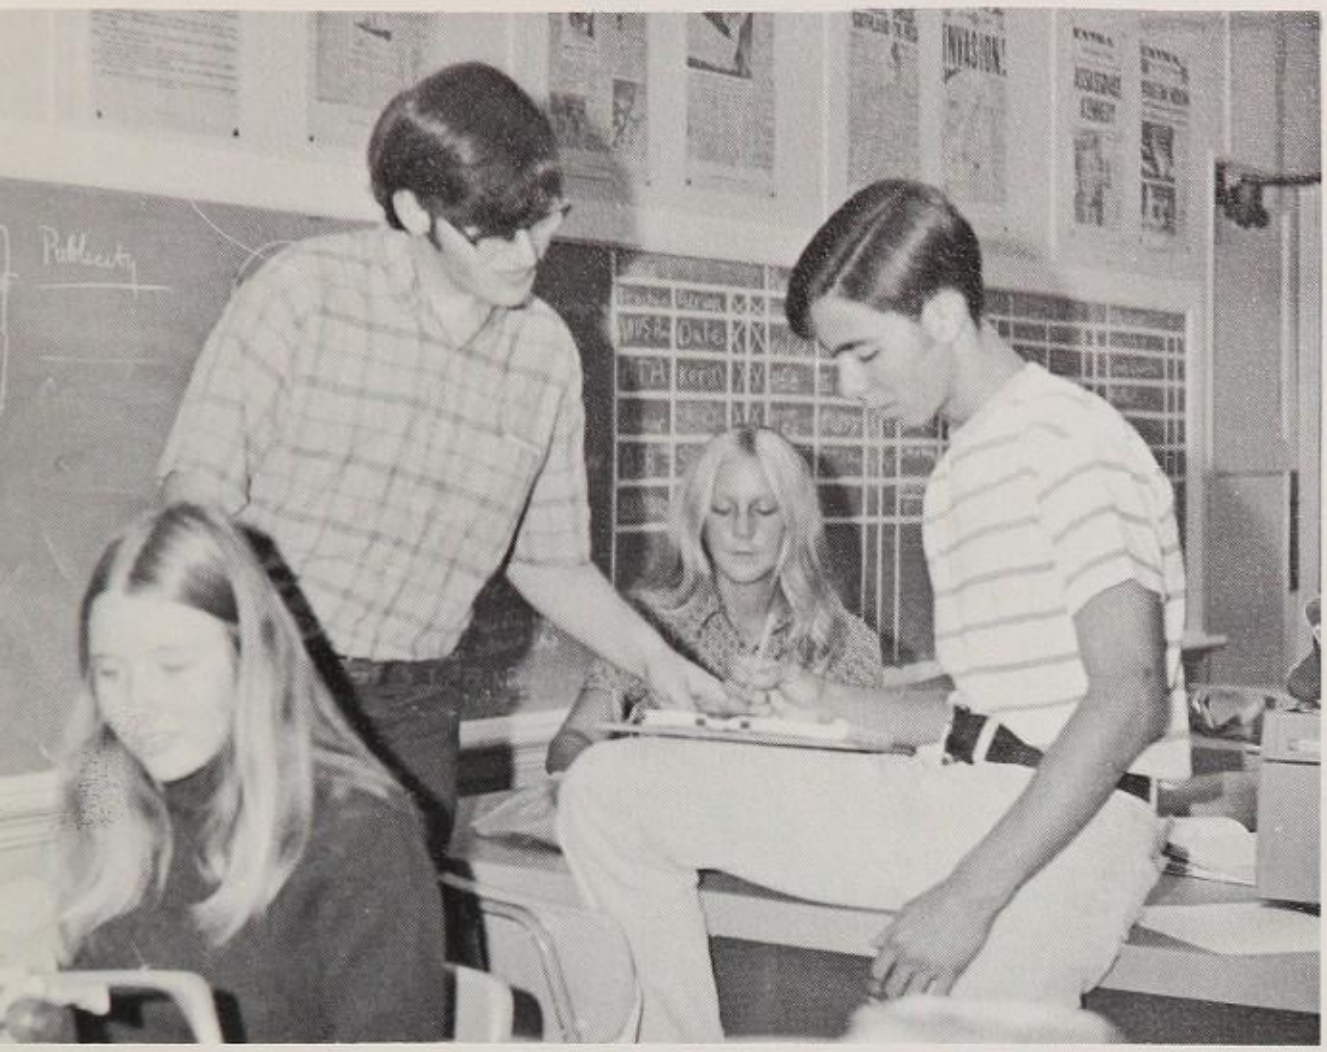
This years Smoke Signal editor NOEL SALVATORE puts a great deal of hard work in editing the school newspaper.

BETTY TREMPE the advisor for the Smoke Signal, has done a great job in instructing her students as to what makes a good newspaper.

Signal staff for a job well done

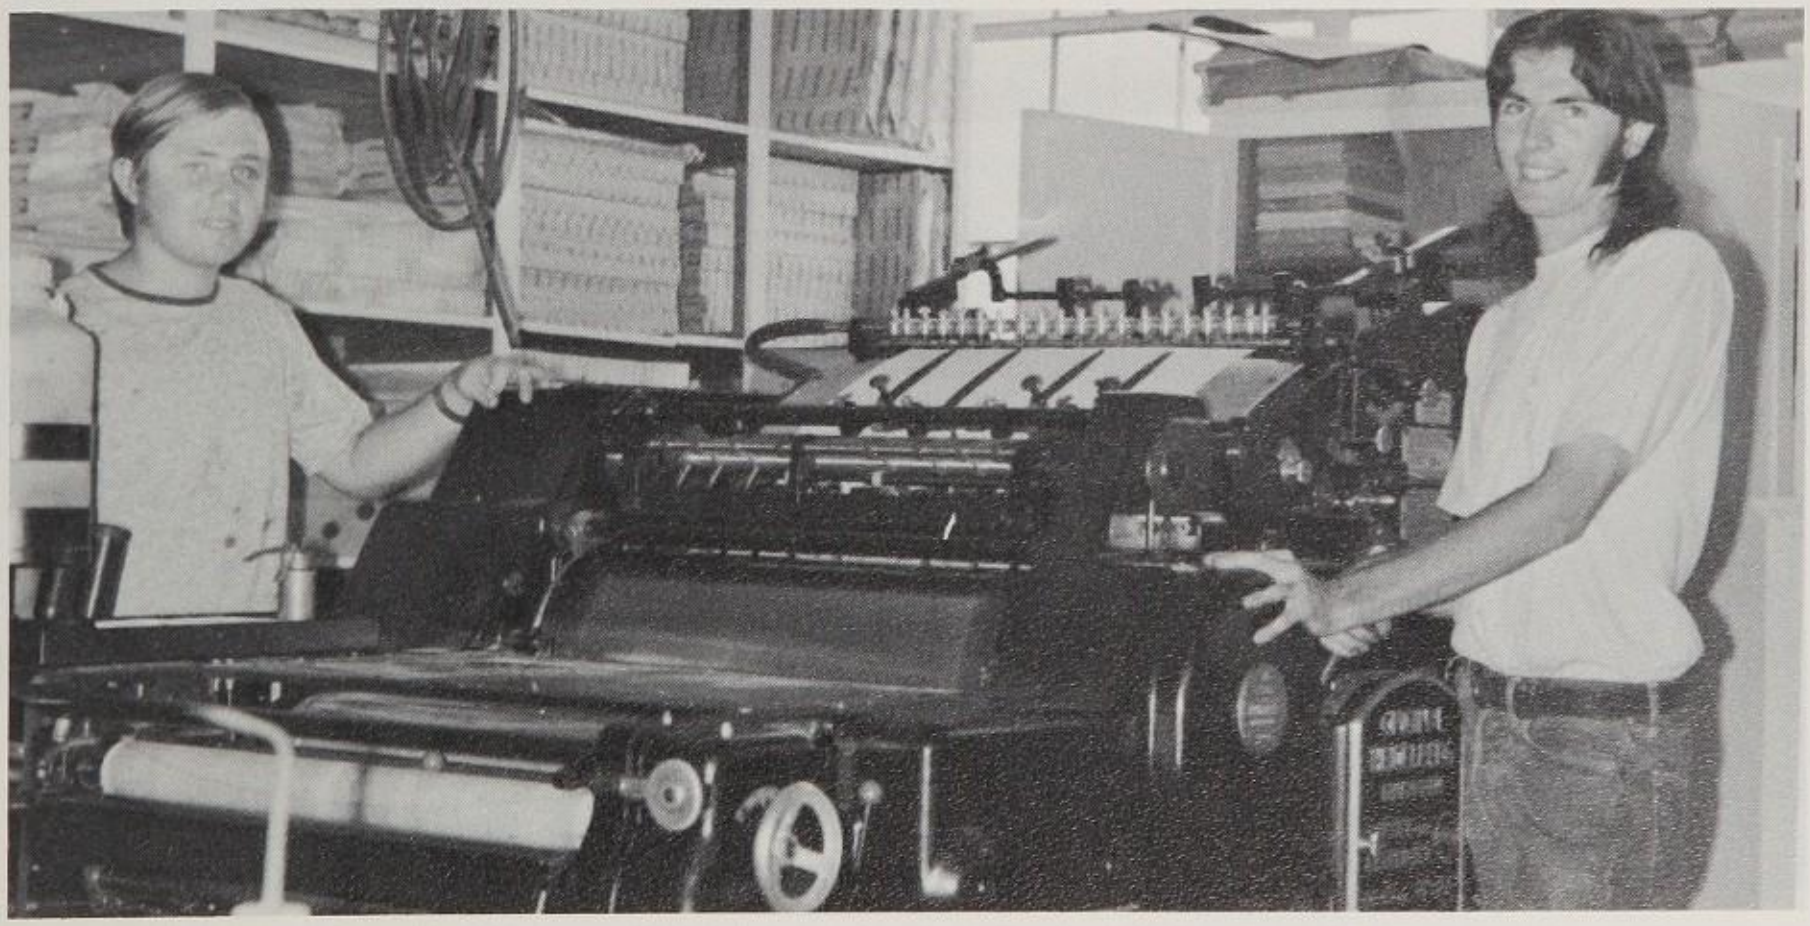


Putting out a school newspaper isn't all that easy, it takes a lot of time, work and cooperation. Here we have LAURA SURLES, MONTE OHREN, NOEL SALVATORE and SUE PULVER working to meet a deadline.

The Smoke Signal is the student newspaper at John Burroughs High School. Approximately 20 issues are published each school year, including special issues for elections, spring sports, and Senior graduation.

The National Scholastic Press Association, which rates student newspapers throughout the United States, has awarded the Smoke Signal its coveted All American rating twice and First Class rating twice in the past four semesters.

Senior Noel Salvatore is Editor-in Chief this year, assisted by page editors Sheryl Gossard, Ronnie Howard, Butch Kronlund, and Monte Ohren.



The Smoke Signal is printed by the advanced printing class under the direction of Mr. Risser. CHUCK YOUNGER and MICKY MEEHAN watch the large press as it makes the newspaper run.

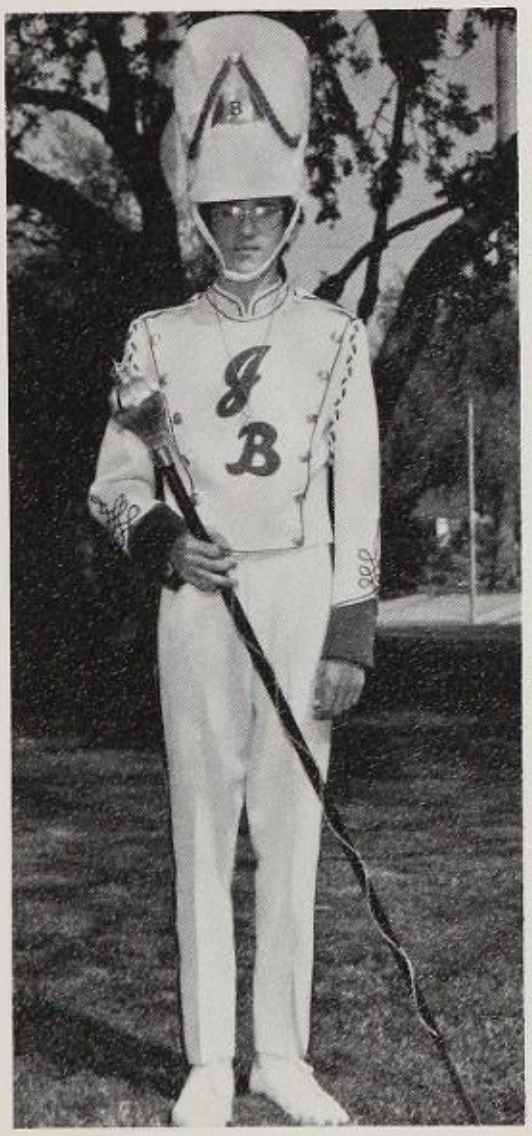
Redskin Band gives concert for senior citizens

This year the Redskin band went to Mountain View Park and contributed their music to honor the SeniorCitizens of Burbank. The band spent the afternoon entertaining the old folks.

Doing a great job this year is the director of the instrumental department, Mr. ROBERT ROSE.

MICHAEL LAFAYETTE is this year's drum major for the Redskin Marching Band.



If music does indeed soothe the hearts of the savage beast then we at John Burroughs must be the tamest students in all the land. We have three instrumental groups that are in the business of quieting the beat of savage hearts. These are the John Burroughs Redskin Band, the Orchestra and the Dance Band.

All three groups are very active around the campus. The Redskin Band provides us with concerts, and music and color at football games, and spreads our name throughout Southern California by marching in various parades. The Orchestra participates in assemblies and the very popular festival of music held every year. The Dance Band plays for assemblies and various dances throughout the year. All of the Student Body owes Mr. Robert Rose and his musical aggrgeations kudos for the excellent work accomplished throughout the year.

A-DRUMS

A dash of percussion section-BROOK DONALDSON at the piano. GEORGE BERG, KEN COLE and DARRELL SEWELL on the drums.

B-Rose

Boom, tweet, bang, toot- Mr. Rose is kinda cute! He's also the instructor of John Burroughs orchestra. Talk about a main ingredient! He also takes the cake.

For something that's not too sweet, not too sour, not too mushy and not very spicy...You'd need a recipe of great quality, such as orchestra. Every ingredient-such as woodwinds, percussion, brass, strings, well, let's just say our orchestra is an international dish. Like hamburger or spagetti, you can't ever get enough!

And the members never stop giving. Their devoted time and effort shows in the many interesting performances. They are always counted upon and have great responsibilities, such as being an important part of many assemblies, our operetta and of course, our rallies and football games. We are very grateful for one of our main courses. They may need a little salt and pepper from time to time, but are a great treat all year through.

C-Woods

To add flavor - sprinkle woodwinds here and there. Consisting of LINDA WITTROCK, WAYNE FRANK, DEBBIE PALMER, PATTY McCLARY, PATTI TAYLOR, TRACEY CARSTEN, CHRISTI WARD, MARILYN OZUROVICH, MARY STEVENSON and VINCE ARROYO.

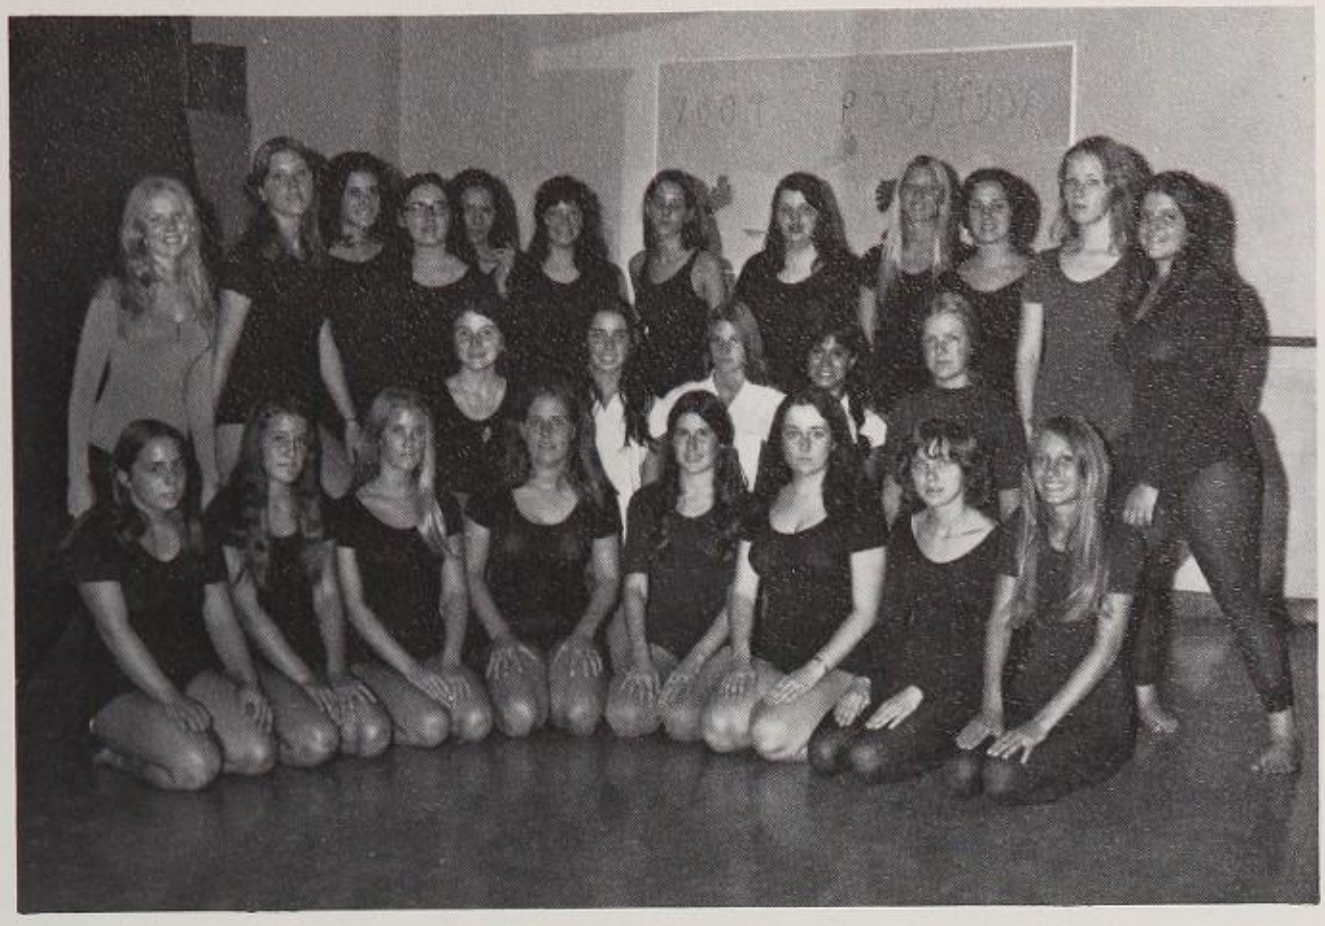
Dance club participants displayed their grace and agility in a slow moving number entitled SOLITUDE.

This scene was taken from the dance to JUNGLE WARFARE. GLENDA ROLLING and JILL ELLIS are the dancers pictured here.

Modern Dance Club originated in 1959. It is designed to further interest and participation in modern dance. It also serves as an aid to the preparation of dance and drama productions. Membership is open to anyone interested, boys and girls alike.

This year Dance Club put on a Fall production entitled Sunshine Experience. The show included many fine routines, performed by the members of the club, to such songs as Chimney Suite, Romeo and Juliet, and Puppet Man.

Dance is enveloped in a sunshine experience



The above dance club members are: DYANNA ASTON, KATIE BOYLE, PATTI CAMPBELL, JUNE BERGER, KERIN CARMODY, KAREN COX, ANDREA DEITCH, ELENA DENT, CHRIS EHRENGRUBER, JILL ELLIS, RENEE FRANCES, JACKIE FREEMAN, CARLA GARRITY, MARY GIBB, JULIE HALAMICEK, LORRAINE HALTER, JENNIE HANSEN, RANDEE HARWOOD, LORRAINE HERNDON, PATTI JACKSON, LISA KLASNA, DIANE LEWIS, JO-ANN MARKS, SUSIE MATZKIN, JOAN McFARLAND, CHARMAINE MOHR-SEHLADO, LESLIE MOODY, JUDY O'BRIAN, ANNEMARIE QUEVEDO, DONNA PAPERO, PAT PAZIAK, NANCY PEREZ, VIVIENNE READY, GLENDA ROLLING, TONI ROMAN, JOELLA RUMMEL, LIZ SANDS, JOECILLE SANTOLOCI, IRENE SHIH, CHRIS SMALL, SHARON STEINKE, JANE TOPPING

All members win awards.

This years chosen president for the speech club is BRUCE ARNESTAD.

1971 Speech Club

The members of the speech club are: Bruce Arnestad (President), Bryan Arnestad, Rich Colon, Lynne Farrell (Treasurer), Joe Glossz, Debbie Pillon, Martin Reddington, Wally Reiher (Secretary), Natalie Rosenberg, Margaret Sheffield (Vice President), Curt Shepherd, Benigna Trejo, Advisor: Mr. Ira Heffler.

Being in speech club means having to give up your Saturday afternoons, but these students don't mind because the sacrifice is worth the pleasure of returning home with an award.

This year the club went to Marshall High School in Los Angeles and participated in a group discussion were Burroughs students won four out of four rounds. Displaying their certificates are BRUCE ARNESTAD, RICHARD COLON, BRYAN ARNESTAD and MARTIN REDDINGTON.

One of our new teachers this year and an advisor for the Speech Club is Mr. IRA HEFFLER. Each one of the students in speech club have won an award of some kind. That is something to be proud of in your first year of teaching. Lets hear it for Mr. HEFFLER.

Forensics? What on earth is that? The initials for the National Forensics League (N.F.L.) only add to the confusion. The dictionary defines it as speech, yet to a small group, it means much more. The members of the John Burroughs Speech Club attend tournaments at all near-by (and not so near-by) schools. The club can be described in two ways, as individuals in a group and a group of individuals.

The goals of the club are twofold; first to develop a better awarness of the art of oral communication and secondly to represent John Burroughs in speech tournaments.

The 1972 Senior

Wait Until Dark

This years senior play was Wait Until Dark. Some people thought it just couldn't be possible to capture the real suspense and excitement that was in the picture but the Burroughs Drama Department surely did.

Wait Until Dark is about a blind girl portrayed by Jackie Freeman that has a doll that contains heroin. Some men who are interested in the doll try to steal it but the blind girl hides it were it will be safe.

The director of this play is the new drama teacher Pat Van Hartesvelt who did more than an excellent job at directing it.

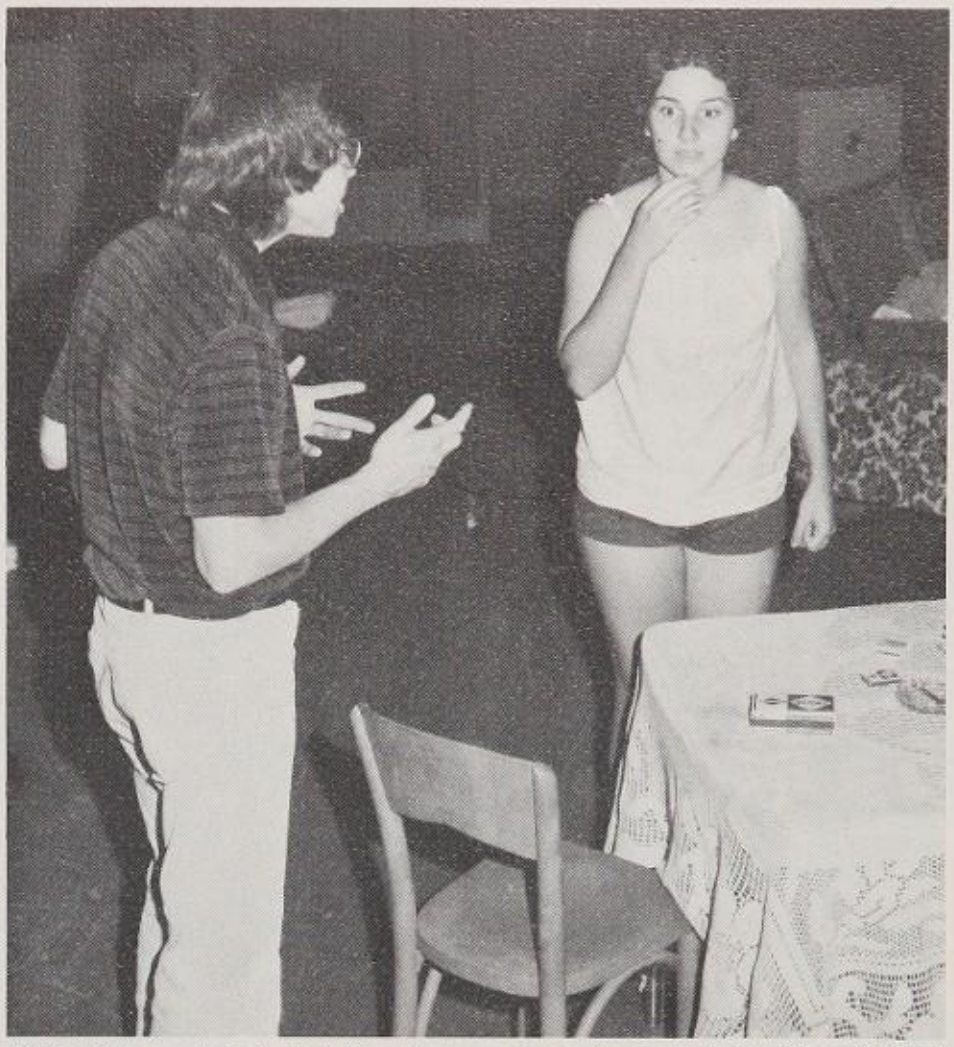
Wait Until Dark took so much work, effort and patience to make it the success that it was. Here is the cast smiling to a job well done!

As Mike Talman (DALE KRANZ) questions Susy Hendrix (JACKIE FREEMAN) as they hear a sudden knock at the door.

Sgt. Carlino (RUSS LA FAZIA) impersonates a police officer and calls a near by phone booth where his partners wait too hear from him.

Play was Wait Until Dark

Gloria (BECKY LOGAN) peeks through the window to see if the men have left yet, but unfortunately they haven't and Susy becomes more upset.



Mike Talman insists that Susy knows where the doll is but Susy denies it knowing its the truth and that she is in danger.

Susy's only hope is the police since her husband is out of town. Sgt. Carlino turns up as the investigator hoping that she will reveal where the doll is hidden.

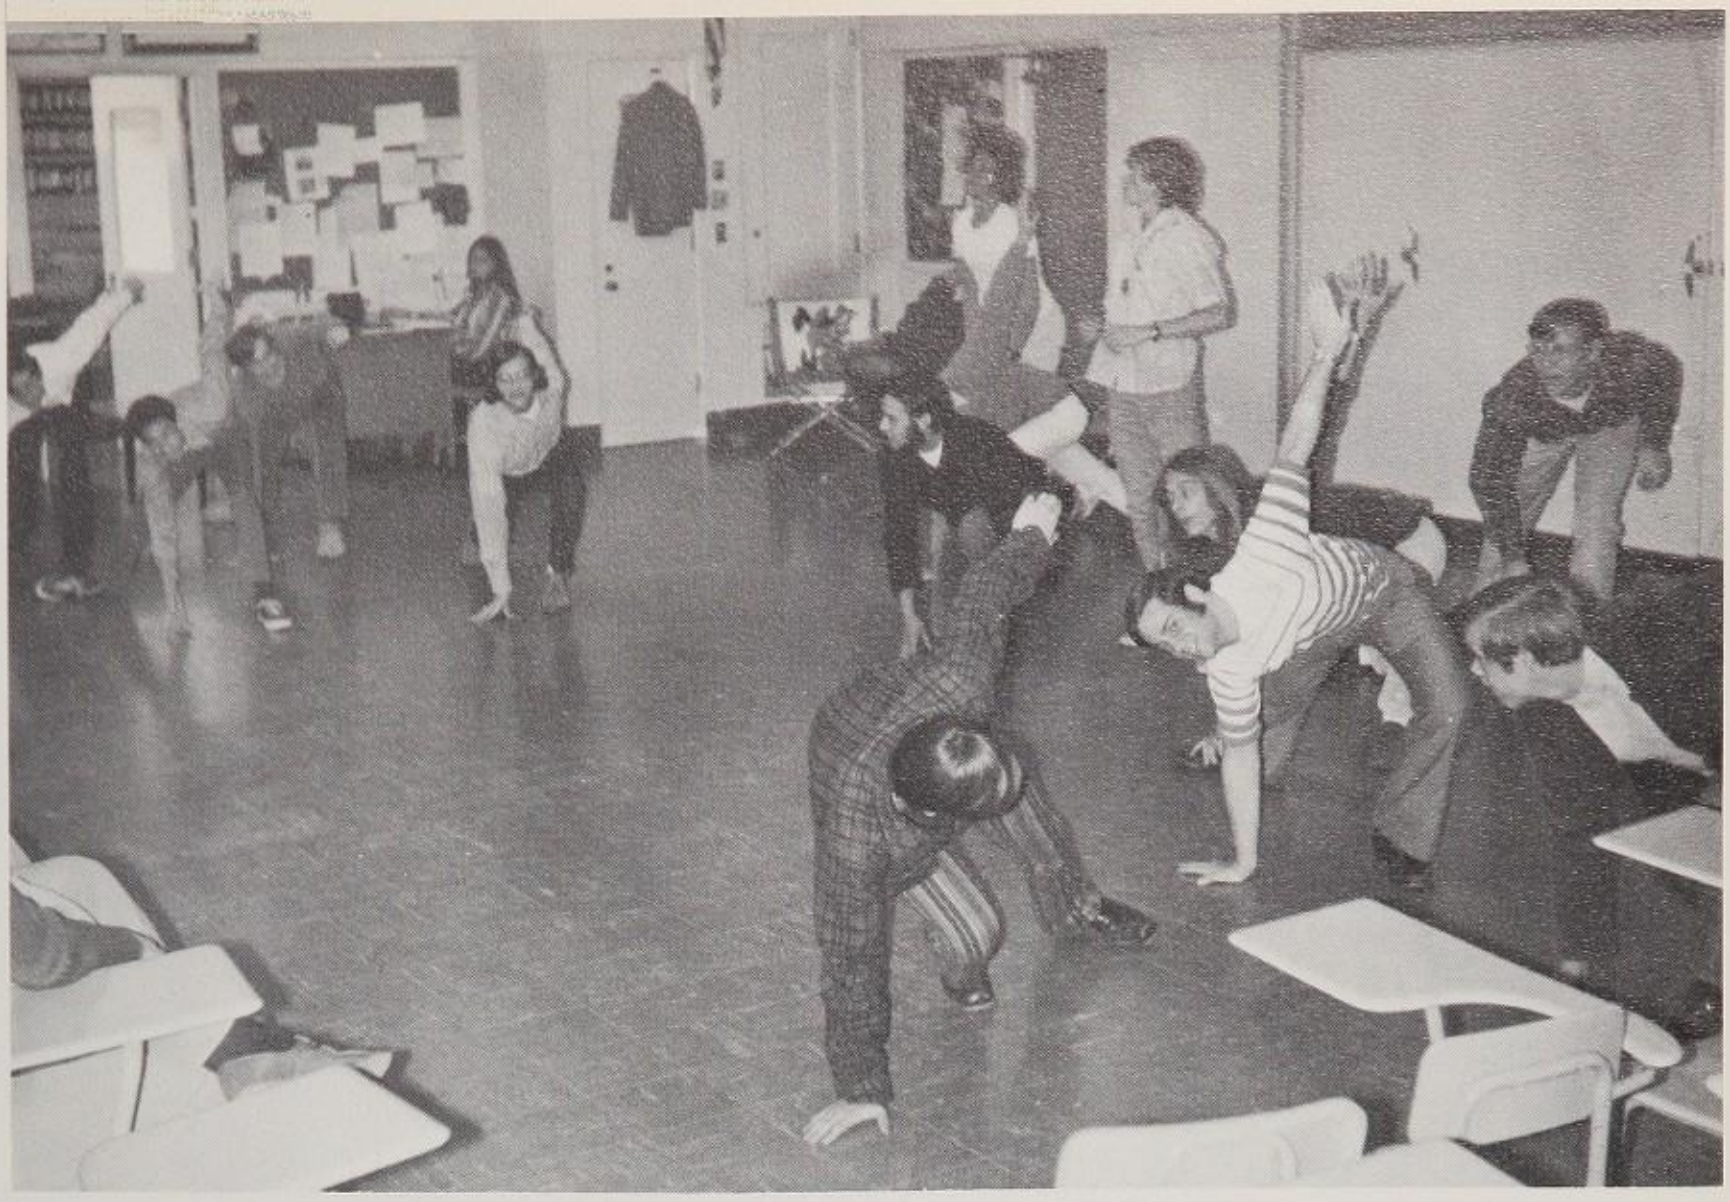
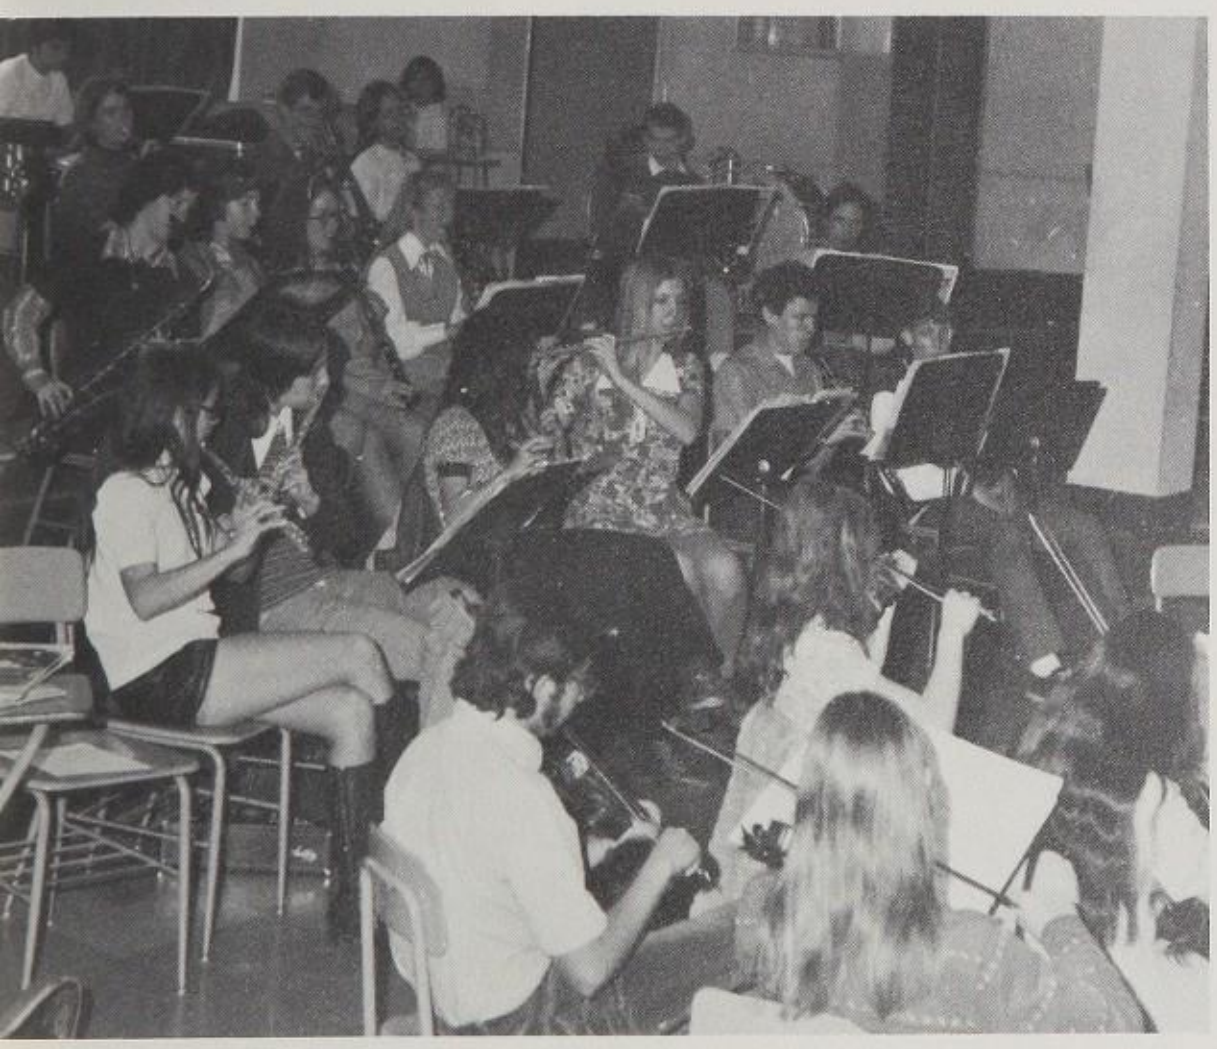
Mr. ROBERT ROSE is the music director in charge of th orchestration for the operetta.



Rehearsals, rehearsals, rehearsals. These operetta 'guys' practice hard to get their routine straight in time for opening night.



Burroughs orchestra is responsible for the instrumental portion of the music in "Guys and Dolls".

Miss Sarah Brown is in charge of the Save-A-Soul Mission near Times Square and she holds street-corner meetings in the same vicinity where Nathan Detroit and his cronies (Nicely-Nicely Johnson, Benny Southstreet, Rusty-Charlie, Harry the Horse, Harry the Horse, Angie the Ox, etc.) hang out. Nathan is the operator of a floating crap game that is temporarily homeless because officer Brannigan is waging a compaign on crap games in this neighborhood. Miss Adelaide, a singer at the Hot Box, is tired of her 14 year engagement to Nathan and wants him to go legit and marry her. If Nathan can raise $1000 he can get a place to hold his game, and the town is full of anxious crap shooters looking for action. He hits upon an idea. Sky Masterson is passing through town on his way to Havana and Nathan knows Sky will bet on almost anything. Nathan tricks Sky into a bet whereby Nathan says that he can name a "doll" that will not go to Havana with Sky. Sky is sure of himself not only in gambling but particularly with women and takes the bet. Nathan names Miss Sarah.

Two years of a new decade have passed. This past school year of 1971-1972 has meant many different things to many different people. Whatever the mood of any situation, we, the AKELA staff, have tried to capture these moments, in order to have them remembered and relived as long as there exists an AKELA.

Re-capturing these moments requires many good pictures. So, for the fine selection they have given to us, we convey our greatest gratitude to Mr. Miller and his photography class for taking their time in helping us prepare AKELA.

Proofreading is an essential part of an annual. Since AKELA is the resurrection of school days at Burroughs, we want it to come to you as nearly perfect as possible. For catching and correcting our mistakes in the copy, our heartfelt thanks go to Miss Leonard and Mr. Rose. The hours of their time that they voluntarily gave for our benefit are greatly appreciated.

Last, but certainly not least, we acknowledge Mr. Conley Mc Laughlin. For his hours of planning, work, and undeserved patience toward us, we give not only the inadequate words of thanks, but our love. Without Mr. Mac, AKELA would not be.

Finally, we thank each other for the all-around congeniality of the group in working together to present to you our book of memories, AKELA, 1972.

Donna Jones
